- Kynning starfsbrautar fulltrúar og IB'
- fulltrúa.
    - "If you want to be inclusive you either do it or not at all" Performative incæusivity isnt useful its just frustrating.
    - Listó
    - Have a specific IB team next year so they don't feel left out.
    - Making the translations a joke is so rude, even if they get the grammar wrong they just need to get the point across also as a gesture.
    - IB students don't really mix much with non-IB students, bekkjakerfi type beat.
    - Maybe have a specifically English presentation before and then an Icelandic one after. For example for skólafundir
- Útskriftarráð
    - Seven people in the graduation committee
    - Remember to mention that its only for 3rd years
    - We need to go over the emails and have yfirsýn
- Spurning um að byrja aftur með gæslu embættið.
    - Make a form, maybe 9 people
    - Questions regarding useful skills & why are you suited for this
    - Maybe have it seconds years and up
    - Check with IB teachers if there are joke applications
- Hvernig gekk ráðakynningar?
    - Overwhelming behavior from certain committees, kinda useful? But difficult situation.
    - Maybe we shoulda've had the presentation in Mikkligarður.
    - Maybe have an intermission.
- Ritararáð
    - We are not making it an official committee but they are permitted to continue their starfsemi and
- Önnur mál.
    - The key to the gender neutral changing room is a problem, teachers coming late so enby students dont have access to the gender neutral changing rooms.
    - Cultural days for Ib would be sooo cool!! An IB week would be perfect!

- Ib og starfsbraut fulltrúar fara.
    Rætt um að stofna sérstakt klúbba lagabálka.
    - Rætt um að hafa betri samskipti við Þórunn og auglýsa (sérstaklega nemadaskirtinn).
    - Rætt um að hafa betri verkferli varðandi upplýsingagjöf.
