Overall MPA Approach

Review MPA and related efforts in Iowa and other states.

Highlight and leverage existing programs and initiatives.

Partner with complementary state efforts.

Gather and share community input to inform MPA priorities.

Post draft MPA for public feedback.

Adopt final state MPA.

“All persons in Iowa age with independence and health across their lifespans.”

(Still under development)

Iowa's MPA Vision

“To understand and address aging issues across multiple sectors. To ensure everyone has access to the right services and supports needed to age well within their community of choice.”

(Still under development)
