

SUMMER CAMP 2026

TINY EXPLORERS, BIG ADVENTURES!

TODDLERS
1.5 TO 3.5 YEARS

7 WEEKS - JUNE 8 - JULY 24

GIVE YOUR LITTLE ONE A SUMMER OF EXPLORATION AND JOYFUL LEARNING!!

Dear Families,

The fun days of summer are soon approaching and at our **TODDLER Summer Splash Adventure Camp**, children will have the opportunity to explore, create and enjoy the summer with a variety of fun and creative activities that complement the Montessori Curriculum. Toddler Campers will explore and experience the classroom setting while striving to improve motor skills, language, and socialization skills along with weekly topics focused on our "Animals of the World" theme.

New Campers will also have the opportunity to build a foundation with their future teachers and continue their transition into the Montessori curriculum.

Our focus is to provide a variety of fun challenges for your child and because no two children are alike in personality and talent, we structure the activities geared to the child's age. This way, we can develop and encourage your child's individuality and natural curiosity to explore and learn. The Staff includes our own year-round teachers and energetic assistants.

Toddler Campers will enjoy the following activities:

- Music and Creative Movement
- Story Time
- Yoga
- Art and Craft Projects

There is a minimum registration of 3 consecutive weeks. We advise that 3 to 4 weeks are usually required for NEW Toddlers to become comfortable with the program. New Toddlers will be phased in gradually. Further information will be provided upon enrollment.

A non-refundable \$150.00 registration/activity fee is required for Toddler campers (18 months to 3½).

Camp Hours are from 9:00 a.m. to 3:00 p.m. for Full Day or 9:00 a.m. to 11:45 a.m. for Half Days.
