To The Families We Serve

We realize this is a difficult time for those who have suffered the loss of a loved one. We appreciate the trust you have placed in us, and we pledge to do our best to carry out your wishes. If you have any financial issues, please inform us so we can work out a satisfactory solution for you.

We wish to stress three areas

1. SERVICE – We presently have five funeral directors and one apprentice. We also have several other employees, all of whom are committed to serve our families.

2. PRICES – We feel our prices are reasonable. When our prices are combined with our staff and facilities, we feel they represent the best value in the area.

3. OWNERSHIP - Marvin Gibbs joined Grady Fry in 1943 to form the business that became Fry-Gibbs Funeral Home. In 1997, The Gibbs family acquired full ownership of the funeral home. We are still a family-owned, independent business, managed and owned by the Gibbs family.

Sincerely,

Dr. Kelsey Gibbs
Owner/CEO

At-Need Funeral Payment Options

Listed below are several at-need payment options. We hope this information will be helpful to you in funeral planning.

Pre-Need Funeral Plan
Pre-need funeral plans purchased through our funeral home are a very effective means with which to cover funeral expenses. We accept most pre-need funeral plans purchased from other funeral homes after review, or the cash value credit may be applied toward at-need funeral services selected.

Insurance Assignment
A verifiable insurance assignment is another means with which to cover funeral expenses. Prior to the funeral home accepting an insurance assignment, all insurance policies are verified to determine if the policy is assignable, is in force, amount of death benefit, beneficiary information, contestability and if there are outstanding loans against the policy. If the insurance policy meets our requirements, the insurance assignment will be accepted. **We charge no processing fee to assist in filing of insurance claims.** To expedite the insurance verification process, it is extremely helpful to bring insurance policies and contact phone numbers to the initial funeral arrangement appointment.

Credit Card
We accept the following credit cards, *a credit card fee of **3%** will be charged*:

Financing
Fry-Gibbs Funeral Home is a Lending USA participating funeral home. We can provide you with information on how to apply for eligibility for a funeral loan. ***This program offers 0% for 6 months.***

Cash Advances Policy
Cash advance items that appear on the funeral services contract are the financial responsibility of the family. However, as a convenience to the family, Fry-Gibbs Funeral Home will pay for the charges up front. They are services provided by a third party and payment is generally required by the third party prior to providing the service. If they appear on the funeral services contract, payment will be required prior to the service by the pre-need plan, cash, check, or credit card. If the customer wishes, they may pay the third party directly. Examples of cash advances include: opening and closing the grave, cemetery dirt removal fees, cemetery property, cemetery overtime, outside facility rental, clergy honorarium, death certificates, flowers, newspaper notices, musicians, marker engraving, motor escort, hairdressers, and out of town transportation, memorial gifts, such as personalized jewelry, knives, etc. ***Personalized items MUST be paid for prior to ordering***. We do not charge for arranging these services.
