Dental Clinic

Campaign Information

Industry: Dentistry

Location: Naples, FL

Campaign Start Date: 11/29/2017

SEO Hours per Month: 20

Campaign Type: Local

Goal: Expand online reach to cities over 28 miles away.

Strategy

We started their campaign by solidifying the company's authority in their physical location and expanding their online reach to cities in a 14-mile radius. During the website audit, we targeted several ways we could improve the user experience. Our team broke out individual service pages to prove their authority and relevance and geo-focused target pages to draw in specific clientele in the selected areas.
