2018 Grant Awards

The goal of the MCAEL grants program is to increase the availability of adult ESOL and literacy services that support identified community needs and diverse populations while also supporting improvement of the quality of services. MCAEL is pleased to partner once again with the Montgomery County Government to offer grant support in FY18 for programs during the period July 1, 2017 – June 30, 2018. For FY18, MCAEL’s priorities are to support expansion of services: 1) in underserved areas in upcounty and East county, 2) for underserved populations, and 3) on the weekends. These priorities were identified through a needs assessment and mapping exercise conducted in fall 2015. Annual data collection continues to support the assessment. MCAEL also supports provision of childcare and transportation to address these barriers to attending class.
