

**Your Municipality is Missing out on
Recoverable Funds!**

Your Vehicle Fleet is a Major Ongoing Expense!

Expenses

- Initial Purchase 
- Equipment Upfitting 
- Maintenance 
- Repairs

Opportunities to offset these expenses are rare!

After an Accident

- Loss of vehicle use
- Loss of vehicle value
- Even if repaired, the vehicle has a shorted service life
- Other vehicles need to pick up slack
- In the case of a total loss, it may take months to receive a replacement

Recovering Funds on the Loss of your Assets

1st Alert Appraisals has developed our **Vehicle Value Recovery Program**, specific to your fleet's needs. Once a municipal vehicle is damaged and the **other driver has been determined at fault**, 1st Alert Appraisals can pursue reimbursement by the **at fault party's** carrier for:

- Loss of use
- Diminished Value
- Diminished Service Life

1st Alert Appraisals Vehicle Value Recovery Program

Accident occurs, other driver determined at fault.

1st Alert Appraisals pursues claim with other party's insurance carrier on your behalf.

1st Alert Appraisals does not charge a fee unless funds are recovered.

We work to maximize recovery of your lost value, your municipality collects whatever additional funds are recovered.

What if No Funds are Recovered?

Whether or not any funds are recovered, there is NEVER an expense to the municipality.

All 1st Alert Appraisals Fees are funded from the additional funds recovered.

If NO FUNDS are recovered, there are NO FEES for that claim.

1st Alert Appraisals- A Name You Can Trust

- 1st Alert Appraisals has been in business for over 18 years servicing over 350 different municipalities, over 100 school districts, and 15 of the 21 counties in the state of NJ.
- We specialize in damage appraisals including school buses, trash trucks, fire trucks, and passenger vehicles such as police interceptors.
- 1st Alert Appraisals has multiple individuals that are cross trained in all aspects of the damage appraisal process including: vehicle damage appraisals for light and heavy vehicles, total loss evaluations on all types of vehicles, and title/salvage processing.
