TOTAL LOSS

Getting you the money your insurance didn't!

Did you know?

- There are over 6 million accidents a year.
- 80% of the time, the insurance company's valuation of your vehicle is wrong!

How much is your vehicle worth?

How do you know?

The Appraisal Clause

You have the right to an independent appraiser to do a third-party appraisal on your vehicle!

Insurance companies won't tell you about this!
