## A NOTE FROM ROBIN:

***"Two are better than one, because they have a good reward for their toil." Ecclesiastes 4:9***

Since occupying my new appointed role of Area Director for Southwest MN FCA, I've had the pleasure of welcoming Wendy Graven as my administrative assistant. Ministry is expanding through the gifts God has given her and it excites me to think about all that God will do upon adding additional staff here in Southwest MN!

We're looking to bring on staff in the northern part of our area to help impact Granite Falls, Montevideo, Dawson, and the surrounding communities. We're also hopeful to add an additional teammate along the I-90 corridor to help impact Worthington, Jackson, and Luverne.

I share this with you because, as Dan Britton, FCA Chief Field Officer says, *"Salvation is free, but ministry costs money."* FCA needs your financial support to make growth possible.

This year, I'm praying for big things! I'm praying for 10 families and/or businesses to give between \$5,000-\$10,000 to help with seed money for staff expansion here in Southwest MN.

Praise the Lord for the favor given to FCA in our communities! We are able to go where the kids are- to middle schools, high schools, and college campuses to share the *Good News* of Jesus with the next generation. FCA invites you to join us in a combined effort to expand the Kingdom.

It is with your donation that FCA is afforded the great opportunity to keep planting seeds and pointing athletes, coaches, and families to Jesus. Thank you for supporting FCA in Southwest MN!

*For His Glory. Robin*
