A NOTE FROM ROBIN:

Then Jesus said to his disciples, "The harvest is abundant, but the workers are few. Therefore, pray to the Lord of the harvest to send out workers into his harvest." Matthew 9:38-39

This past summer, I had the privilege of bringing nineteen Marshall High School juniors and seniors to FCA Leadership Camp in Georgia along with five adult chaperones. It's amazing how quickly relationships develop in the 27-hour, one way drive without the distraction of phones. These students left Minnesota as classmates and returned as brothers and sisters in Christ. It's been such a blessing to watch them link arms and boldly lead their friends and teammates toward a relationship with Jesus. They came home with a new courage and confidence they didn't have before the trip. Leadership Camp was an absolute game changer! This is just one story of the impact Jesus has had through Southwest MN FCA this year and it's not unique to Marshall High School. We're seeing this at SMSU, in the Jackson and Lakeview huddles, and across our region. This is my *why*. There's nothing better than watching students and adults grow closer to Jesus and invite others to experience His grace too.

Please consider partnering with Southwest MN FCA as a monthly donor or by giving a year-end gift to help the ministry keep growing. We hope to raise \$60,000 to help hire two new staff members in 2026 to expand our impact throughout Southwest MN. We would love to have you on our team!

Thanks for making an eternal difference. Let's keep making disciples together!

For His Glory.
Robin
