

From the East Metro Team

**MERRY
CHRISTMAS**

GRATEFUL

HUMBLED

Brady, Gavin, and I need to be honest with you. Our financial needs, wrapping up 2025 heading into 2026, are BIG. But that's in direct correlation to the IMMENSE amount of growth we've experienced this past year. We have had six new schools begin to gather and study the Bible together since the school year started. There will also be a BRAND NEW camp that will be happening in the East Metro this summer. We are trying in every way we can think of to express to you the urgency in which young people are seeking Jesus and the need for our collective response.

Our summer was packed with young people learning about Jesus through the three camps that were held. Our time was spent witnessing to all 250+ elementary-aged campers while also equipping and inspiring the high-school students who served them. This carried into the school year as students made an incredible impact in their schools for Christ. Celebrating their teachers and administrative staff, starting mornings in worship together before their huddles, hosting worship nights all over the east metro, so they can invite their friends to come experience FCA. Gathering together to pack food, creating Bible studies in coffee shops to dig even deeper, and building mentorship opportunities to support student-led interest in seeing their faith grow. The list goes on and on. Truly, we say to you, **it has been remarkable to witness.** We will continue to share these moments with you here, on social media, in our podcast, and wherever else we can discover.

But we cannot do this year without your partnership. The funds today are not there. God has provided, down to the dollar, exactly what we've needed, ALWAYS. As the year ends and 2026 is around the corner, we earnestly, and with our whole hearts, ask you to consider partnering with us financially by giving a special gift this month.

We thank you and praise God for each and every one of you. You have walked with us through it all.

Humbled, grateful, and inspired,
Brady Bruesewitz

"Remember that the person who plants few seeds will have a small crop; the one who plants many seeds will have a large crop. You should each give, then, as you have decided, not with regret or out of a sense of duty; for God loves the one who gives gladly. And God is able to give you more than you need, so that you will always have all you need for yourselves and more than enough for every good cause." - **2 Corinthians 9:6-8**
