# EARN YOUR WINGS READING CHALLENGE

The Earn Your Wings program is a pre-airshow student engagement initiative that blends reading comprehension and career awareness through aviation and STEM exploration.

## 1 Read & Learn

- Students read aviation/STEM educational materials
- Can be done through schools, libraries, or community programs
- Completion = free airshow ticket + recognition
- In one recent cycle, over 2,400 students earned tickets through participation

## 2 Reflect or Complete Activities

- Students demonstrate learning through short summaries
- Reflection questions
- Activity sheets or logs
- Optional activities created by teacher

## 3 Experience the Airshow

- Students attend and connect what they learned to real aircraft
- Pilots and mechanics
- STEM exhibits like the Innovators Pavilion
