## **RECITAL PICTURE WEEK**

You will come to your normal class time in your recital costume. We will take pictures and practice our recital routine in our costumes. You will get the opportunity to see proofs of your pictures before ordering. More information has been sent out via email and in April newsletter.

## **RECITAL TICKETS**

Tickets will be sold through the ECU Box Office. More ticket info coming soon!

## DRESS REHEARSAL

\*All dress rehearsals are held on stage at EKU (822 Hall Drive, Richmond, KY)

\* Upon arrival, please enter through the main front doors and head directly to the theater and sit with your class. Rows will be marked with signs by class name.

\* During the dress rehearsal, we want the experience to be as realistic as possible. **Please make sure that your dancer is in full costume**, hair, etc... Also, please do not approach the stage while they are rehearsing so our dancers aren't inclined to come forward to the edge.

\* Dancers will be taken to the stage class by class to rehearse. When they are finished rehearsing, we will take them to the pick-up area for pick-up. We will direct you to this area to pick them up and then you are free to go! A staff member will be available at the pick-up area to answer any questions you may have!

**Please find your class time on the schedule below to determine your dress rehearsal time. This is the order that we will rehearse dances for the dress rehearsal in.**
