SCHEDULE CHANGES

1. **Class Changes:** A student may drop and add classes depending on availability. Please check with Abby to make sure that it is not too late to order your costume for the new class. If the original costume was already ordered for you, you may possibly need to purchase the additional costume.
2. **Withdrawals:** See below.
3. **Waitlist Policy:** Students desiring placement in a full class will be placed on a waitlist. It is the studio's discretion to fill available spots. To be put on a waitlist, please log into your parent portal (if you are an enrolled student) or go to the registration page of the website (if you are not currently enrolled in our database) and click the word "Waitlist" for the full class that you would like to waitlist your dancer. While a credit card is required to create your account and be placed on the waitlist, your card will not be charged unless a spot becomes available and we have confirmed your dancer's enrollment and registration.

CLASS WITHDRAWAL-

In order to cancel registration of any class, the Class Cancellation form must be completed. This is an online form. [CLICK HERE to fill out the form.](#) We also have this linked on our website, under the Contact Us tab.

In order to stop further tuition obligations for the session (beginning with the month after this notice is received), the online form must be completed before the 1st calendar day (not the first class meeting) of the month you want to withdraw. The Account Holder is responsible for tuition payments, account charges and late fees incurred through the last day of the month a dancer is registered in a class regardless of attendance. The withdrawal will NOT be processed until all outstanding payments are paid. Please make sure your account is at a zero balance before submitting the form.

WHAT TO EXPECT YOUR FIRST WEEK

1. The lobby is very crowded the first few weeks of classes. This will settle down after the first few weeks.
2. There is a lot of switching around of classes as parents are trying to get settled in the new schedule of the year. Please be patient. Classes often have to change at the same time so that dancers can go to the different subjects they are taking.
3. Like school, the first few weeks of class are review. This allows everyone to get comfortable with new classes and new teachers. Also, teachers can evaluate students to be sure they are in the correct class.
4. If dancers have been placed into classes that are not correct for them –Don't worry – we will find a more suitable class!
5. It is best to get your dancer in class on time, ready to dance.
6. Please keep the hallway clear; dancers will be walked out into the main lobby area for pick up.
7. The youngest dancers will often have tears or anxiety the first few weeks. This is normal. The teachers are trained to get children "on task" quickly. It is not uncommon to have a few dancers on a few hips the first month of class! The best way to ensure success is for parents to assure them they are going to have fun. Leave as quickly as possible and make sure the door is closed. Please keep noise down in the hallways and don't let siblings open or knock on the door. This will distract the dancers.
8. Please have all dancers use the bathroom before class. Dancers in preschool or younger are required to have a parent remain in the building during their class in case the dancer needs to go to the restroom. Dancers in kindergarten and up are allowed to be dropped off and will be allowed to go to the restroom on their own if they do not have a parent in the building.

Always stop in the office if you have questions or concerns. Every staff member wants your LDF experience to be positive and rewarding.

FOR OUR STUDENTS

The first step to becoming a successful dancer is making a solid commitment to your classes. Strong technique is a key ingredient and class is where you develop that technique. Come to each class prepared to learn and without personal distractions. Class time is your chance to focus on yourself, so try to leave your concerns or worries at the studio door. True progress is made when you look at each class as an opportunity to become better at what you love to do. Dance full- out, stretch a little further, become more aware of your technique, and make the most of every class.

Respect for the teachers is essential. Listen to each correction given, whether it's directed at you or another dancer. A correction is an honor; it shows you how much a teacher cares about your progress as a dancer. Always say thank you when a teacher or choreographer offers you constructive criticism. Nothing can stop those students who apply themselves in every class and appreciate their teachers' knowledge and experience.

We have a NO bullying policy and will take the necessary actions to resolve the situation immediately. If you feel like you are being bullied please discuss with your instructor at time of occurrence!

FOR THE PARENTS: "WE'RE IN THIS TOGETHER"

We believe that children's success depends on the support of their parents or guardians. Because your commitment to the process makes an enormous difference, we encourage you to be a part of your child's dance education.

Our programs rely on a positive atmosphere and educational experience for our faculty and students and their parents. Cooperation between all parents is expected. Showing respect—for other parents, the students, and the faculty— makes an important impression on the children. You are a role model for your child about how to interact with others in a professional setting.

Your child's presence at all classes is imperative. The spirit of teamwork and the lesson of dedication are a big part of our school's educational process.

Parents and teachers may look at a child's learning from different perspectives. However, we believe they share a common goal: to ensure that every child receives the best possible training, both physically and mentally. Mutual respect among our faculty and our students' parents provides the children with the ultimate care and education.

Encourage your child to be the best that he or she can be regardless of what others may achieve. Dance is an individual art form and children need to be allowed to achieve at a pace that's comfortable. No two students will progress at the same rate, even if they experience the exact same training. It's important to encourage children to focus on themselves, give their all, and be satisfied with their own accomplishments. If you have questions or concerns about your child's dance education (such as progress or class placement), please discuss them with your child's teacher or the director.

Talking only to other parents can lead to misinformation and confusion. Please contact the office to set up an appointment; do not approach your child's teacher or the director between or during classes or make contact outside of the studio.

If you do request a conference, please listen carefully to what your child's teachers have to say. They spend a significant amount of time with your child and offer expertise in the field of dance education.

Parents of Preschool Students

Our purpose is to provide the highest-quality preschool education in a secure, nurturing, and stimulating environment. Lexington Dance Factory serves the physical, emotional, and intellectual needs of the preschool students. We meet these goals with our age-appropriate curriculum and ongoing communication with parents.

The first few weeks of classes serve as an introductory phase to help students become comfortable with the overall dance experience, the classroom, their teacher, and their classmates.

Right from the beginning we focus on your child's coordination, listening skills, musical awareness, and developing imagination. We accomplish this through age-appropriate music and song, simple stretching exercises, ballet and tap (or tumbling) basics, and games in an environment of creativity.

Separation from the Parent

The process of separating from the parent as the child attends dance class is an important accomplishment of preschool children.

As children mature, they begin to identify themselves as independent personalities. In separating from you, the parent, your child is learning:

- to develop an interest in the activities of the dance class;
- to feel comfortable with other children in the class;
- to understand that his/her parent will come back and pick him/her up;
- to understand that all parents leave their children and come back for them.

It is important to know that at times young children will explore the limits of attending dance class and say they don't want to go. This period may occur anytime, but it is usually short-lived. Here are some suggestions that might help you handle the situation:

- Emphasize what the child is doing at the dance class rather than what you do while in the lobby.
- Avoid prolonged good-byes.
- Ask the teacher for help in separation. We expect the crying (and usually the tears are for the parent's benefit).

It May Not Be the Right Time

If your child cries or does not want to take class, don't panic. If we push children and create more stress than they are already experiencing, they may come to perceive dance class as a bad experience. That kind of negativity could make them apprehensive about dance for a long time, which isn't good for anyone involved. Never force your child into the classroom.

If your child stops attending class within the first month, the registration fee will be credited to the following year. We encourage you to have your child try again next year. Please email accounts@lexingtondancefactory.com so we can credit your account properly.

We recommend that children be encouraged to practice at home but not forced to do so. Repetition is one of the key elements for success with preschool dance students; the more they practice, the more confident they will feel. Practicing with your child allows you to join in the dance experience.

CLASSROOM OBSERVATION

Parents are not allowed to sit in our dance rooms unless specifically invited by our staff. The TV gives you an opportunity to watch class every so often and see the student's progress. Parents will be called in to record, once recital dance has been completely taught.

MEDICAL INFORMATION

Parents must notify the director/and or teachers regarding children who use an inhaler or who may require medications during their time at Lexington Dance Factory. It is also important to inform the director and/or teachers about your child's existing medical conditions or learning disabilities at the time of registration and throughout the school year. All information about our students is confidential.

STAYING INFORMED

We work hard to make the dance experience organized and fun. Keeping you informed is one of our primary goals. Please read all newsletters and other important information. We communicate to the parents/guardians using the following sources:

1.) Customer Portal: All dance families need to set up their customer portal in order to receive correspondence from the studio. You can also use your customer portal to update your personal information, add/drop classes and check your account balance. **It is your responsibility to log-in to your customer portal and update your contact info, including your email address so that you may receive emails from the studio.** To set up your portal please do the following:

- a. Go to www.lexingtondancefactory.com and click on "Customer Portal."
- b. Type in the email address you used to register online and then click "I do not have or know my password." A temporary password will be emailed to you.

2.) Emails: All registered accounts will automatically be enabled to receive email updates and alerts from the studio. You can update your email address on file through your parent portal. Please pay attention to email communications. LDF will use email to communicate updates to this handbook, changes in procedures, and other important updates and information during the year. **Please note that if you opt out of any specific emails for LDF, this will prevent you from receiving any emails from LDF in the future.** Make sure to mark LDF as safe in your email so emails do not go to spam. All emails sent can be accessed through your portal. **ALL EMAILS THAT WE SEND YOU ARE SAVED IN YOUR CUSTOMER PORTAL. LOG IN TO YOUR CUSTOMER PORTAL TO CHECK FOR MISSED EMAILS.**

3.) Website: www.lexingtondancefactory.com: We are constantly updating our website. News, important parent and student information, contact information, and more are available online 24 hours a day.

4) Info Table in the Lobby: We have a table and bulletin board in the front of the lobby with helpful links and information about the studio. There are answers for many commonly asked questions here!

5.) Facebook, Instagram & Tik Tok: Like & follow the Lexington Dance Factory pages on Facebook & Instagram to receive daily updates on school events. Please invite your family and friends to also become a fan and keep up with latest LDF news!

DISCIPLINE POLICY

In order to maintain a happy, healthy, professional environment, students are taught the importance of being a part of the group. We encourage students to have respect for other students, the teachers and staff, and studio property, and we foster the development of good habits and compliance with rules of conduct.

Our staff and faculty are trained to use constructive techniques of discipline to maintain class control and handle individual misbehavior.

- Children who exhibit unacceptable behavior or attitudes are told what is wrong and directed to a positive alternative approach or behavior.
- Children who are disruptive will be respectfully asked to stop the behavior. If the behavior is repeated, they will be reminded of it and told how it affects others. If the disruption continues, the children involved will be asked to sit down for a short period of time (usually three to five minutes) before rejoining the class.
 - If a child's misbehavior continues to disrupt the class, the parent or guardian will be called to pick up the child.

Termination of Enrollment

In certain circumstances, when it is in the best interest of one or more students, it may be necessary for the school owner or director to terminate a student's enrollment. Every effort will be made to correct a problematic situation before terminating enrollment. Reasons for termination of enrollment include the following:

- Disruptive or dangerous behavior by students or their parents
- Abuse of other children, staff, or property
- Inability of Lexington Dance Factory to meet the child's needs

STUDENT/PARENT/TEACHER RELATIONS

1. **Contacting Instructors:** If you need to leave a message for an instructor, please do so through our front office. Please do not contact them via social media. Please do not try to catch an instructor between classes. Class schedules are very tight, and our instructors would like to give your questions and concerns the proper attention.
2. **Opening Class Doors:** Please respect our instructors. All classes are closed sessions. Do not open the door during class time. When classes are over, the instructor will open the door for the next class to enter and students will exit to the lobby.

CLASS VISITORS

Safety issues and legal responsibilities make it impossible for us to allow students to bring visitors into the classroom. Students should not invite siblings, other relatives, or friends to their classes with the exception of special events such as "Bring a Friend Week".

PERSONAL BELONGINGS

1. Labels: Please label all shoes, dancewear, dance bags, coats, etc. with the student's first and last name. If we notice that an item is not labeled properly, teachers may write your dancer's first and last name on their shoes during class. If the item left behind is properly labeled, the studio will attempt to contact the parent and hold that item in the "pick-up drawer" located in the studio office.
2. Lost & Found: The lost and found is located in a bin in the lobby. Items will be donated the first of each month so make sure to check the bin regularly. LDF is not responsible for lost or stolen items.

PARKING LOT SAFETY

The studio is home to children of all ages. Please enter and exit our parking lot with extreme caution. Never park your vehicle in any area that is not a designated parking space. Please do not allow siblings to play in the parking lot.

DANCE FLOOR

Our marley floor is expensive and we want to take care of it so that it can last as long as possible. Please keep the following off of the dance floor: cleats, dirty street shoes, high heels, food/drinks and anything that can puncture the marley.

WEATHER CANCELLATIONS

- FCPS closures due to severe weather conditions **does not** always mean we are closed.
- If FCPS are on a delay due to weather, we DO still have class.
- Daytime classes (those meeting before 1PM are automatically cancelled if FCPS are closed due to weather.
- Decisions regarding afternoon/evening classes may not be posted until 1:00 PM so that we have time to see if conditions improve.
- Notifications of weather announcements will be emailed and posted on the Facebook page.
- Safety of our students and teachers will always be our priority. If we do have class please use your own judgement as to whether or not you are able to attend. We know not all road conditions are the same and we will always respect your decision as to whether or not it is safe for your family to attend.

ILLNESS POLICY

Students and their parents must comply with any guidelines that we are giving via the Covid-19 pandemic. It is imperative that parents read the guidelines and make sure that they and their student(s) understand and fully comply with them. In addition to the requirements set forth in the guidelines, parents should keep their students at home for any of the following conditions:

- Pain – any complaints of unexplained or undiagnosed pain.
- Runny nose (green mucus indicates infection), watery eyes, coughing, sore throat, or productive cough. Difficulty in breathing , wheezing or a persistent cough.
- Fever (100°F/38.3°C or more) or nausea and vomiting.
- Infected skin or eyes or an undiagnosed rash. Severe itching of body and scalp.
- Unexplained diarrhea or loose stool combined with nausea, vomiting, or abdominal cramps. These may indicate a bacterial or viral infection that is easily passed from one child to another.
- Children with any known or suspected communicable diseases or lice.

ABSENTEEISM

1. **Missing Classes:** If a student will be missing 2 or more consecutive weeks of class, please contact the studio office. The office staff will relay the information to the instructors.
2. **Excessive Absences:** All students are expected to attend their regularly scheduled classes. Each class offers a step forward in the educational process. A missed class could leave a child one step behind the other students. During the months of February through May, choreography for the spring recital will be taught and rehearsed. It is important for children to feel completely confident with the choreography and the yearend performance. Missing class during this period could result in frustration for the students and their teachers and classmates. Students with excessive class absences may be pulled from the recital dance with no refund. This is at the teacher's discretion.
3. **Make-Up Classes:** There are no refunds for missed classes whether it is due to student absence or studio closure. These can be made up any time before March 31st in an age appropriate class– even if it is a different style than what the student is taking.

****Students must schedule their make-up through the studio office for the the class that was missed. ****

Spring Recital

Dress Rehearsal: June 1-5, 2026

Recital: June 6, 2026

Location: ECU Center for the Arts, Richmond, KY

*Your spring recital costume is included in your registration fee. Costume sizes – we take measurements to refer to a size charge. These measurements are not to order custom sizes. If the costume provided doesn't fit, please complete this [form](#). Boys costumes will get specific directions.

Additional rehearsals may be scheduled for students at the discretion of the teacher/choreographer. These recitals offer our students professionally directed performances that allows them to present to their families and friends the results of hard work, dedication, and progress.

A big part of dance training includes learning through performance. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The experience helps build self-esteem and confidence, which can result in better in-school presentations, improved social skills, and strong college and job interview skills. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

*Recital Tickets ~ Recital ticket sale dates will be announced closer to the performances. All accounts must be paid up to date in order to purchase recital tickets.

RECITAL FAQ'S

How long are the spring recital performances?

Each performance will be 1.5-2 hrs.

Will my dancer get to sit in the audience once her/his dance is finished?

For general safety reasons, we insist that all performers are to remain backstage during recital performances. We have plenty of staff backstage to keep your dancers entertained while they wait for their dance.

What if my dancer is in more than one dance?

You will be able to come backstage to help your dancer. Does my dancer have to wear makeup to dress rehearsal? Your dancer does not have to wear makeup to dress rehearsal, however, we do recommend some makeup for the recital, though so the stage lighting does not make dancers appear "washed out."

What is the timeline on recital information?

1.) Late February you will receive the time of your dress rehearsal and time of show, this list will not be show order. 2.) Tickets go on sale in April. 3.) In late April/early May we will send out the show order. 4.) If you have multiple classes in a show, we are aware of that and will space accordingly, no need to worry. 5.) All classes are in the spring recital.

SUMMER PROGRAMMING

One Love Dance Company Intensive

One Love Dance Company hosts a week-long intensive each summer. Guest instructors are brought in for the week. Dancers need to have previous ballet experience to attend.

6-Week Summer Session

We offer a 6-week session of classes similar to our regular season classes (ballet/tap combo classes, hip hop, and acro). There is not a recital for the summer session. This is a great time to try a new style of class!

Summer Technique

We offer a 6-week summer session of technique classes. These classes are similar to regular season classes and include both ballet academy and team technique classe. These are a great way to continue dance through the summer and increase technical skills. Please visit our website for details.

Small Group Acro

We offer an 8-week session of small group acro classes for dancers that have completed kindergarten or older. There is a limit of 4 dancers per class so dancers get much more individualized attention without having to pay for individual private lessons.

Summer Camps

LDF offers themed dance camp during the summer. Camps are 5 days long (3 hours per day) and include activities such as dancing, tumbling, games, arts & crafts, and much more! We do offer 2-3 weeks of full-day camp each summer. Check out our website for our fun-filled themes or contact the office for dates.

LDF BALLET ACADEMY

At LDF we have a leveled pre-professional ballet academy. Dancers may enter into this program at age 7 or 6 (with instructor approval). Our Academy performs in our annual Nutcracker performance in December and our Spring Recital in June. Placement auditions for the LDF Ballet Academy are held in the summer. We have a non-profit, One Love Dance Company, that helps provide additional opportunities for our dancers.

LDF COMPETITION TEAMS

LDF is proud to host competition teams for dancers ages 5-18. These dancers perform in our ballet performances, recitals, and at dance competitions. Auditions for our competitive dance program are held in the summer.
