★ EXPERIENCE

Web Graphic Designer 3/24 - Current

RivalMind

Design and develop custom websites that strengthen brand identity and improve online visibility.

Collaborate with cross-functional teams to deliver clean, conversion-focused designs across web, social, and print.

Ensure visual consistency and responsiveness across all touchpoints, maintaining strong brand standards and clarity.

Graphic Design Intern 3/22 - 1/23

BASCO USA

Create visually compelling graphics for digital and print platforms, enhancing brand storytelling and audience engagement.

Produced email campaign design layouts and interactive content for marketing initiatives.

Graphic Designer 1/22 - 12/22

Design Streak Studio

Collaborated in a student-run design studio to develop branding, packaging, and digital materials for local nonprofit clients.

Conducted user research and coordinated with team members to inform design concepts and ensure alignment with client goals.

Delivered polished design solutions from concept to client presentations, gaining hands-on experience in professional creative workflows.
