A MESSAGE FROM ERIC.....

Death Care Planning. What a strange statement. Yet all of us will someday be faced with the realities of death care planning. Some of us will be planning for the death of a grandparent, a parent, an aunt, an uncle, a sibling, a spouse, a significant other, a dear friend, a child, or even ourselves. Many of us do not realize that we are the people others are going to depend upon to carry out their final wishes.

Select a funeral home that you feel comfortable with. Every funeral home should provide you with answers to the questions you may have regarding any and all aspects of funeral service. All funeral service providers must give you a copy of their General Price List for you to keep! This is a federal law that is strictly enforced by the Federal Trade Commission. Each funeral provider must also show you a copy of a casket price list, an outer burial container price list, and an urn price list before showing and explaining any merchandise. Ask for these lists from your funeral service provider.

When inquiring about prices, ask about the 'entire funeral service,' from the time the deceased is taken from the place of death, all the way to the funeral repast. Any reputable funeral service provider should be able to give you the entire scope of the funeral service you wish to provide your loved one.

We encourage you to speak openly about any financial hardship you are experiencing. We take pride in serving all who call our firm, including those with financial difficulties. We work closely with Social Services, Criminal Injuries Compensation Fund, Workers' Compensation, the Veteran's Administration, Social Security and other potential sources of funding. We can make suggestions to keep your costs low. At E. Vaughn Wray, no one has ever been turned away for lack of money. Regardless of what you spend, our superior service quality is the same for all we are here to help.

Many families are not receiving full service if they only request a General Price List. We encourage you to explore all of your options before finally choosing the services you request. The staff of E. Vaughn Wray Funeral Establishment encourages you to take time to review this information, and discuss it freely with your family, your clergy, and a qualified funeral director/cremation counselor. The benefit of researching your options ensures that the personal wishes of your loved one will not be overlooked. Thank you for taking the time to carefully understand what options are now in front of you.

INFANT - CHILDREN SERVICES

These services involve minimum staff services, securing necessary permits, sanitary care, newspaper notices, arranging for cemetery, clergy, and local transportation. These services generally involve much work and staff time and are similar to an adult service. However, due to the circumstances and not to inflict a financial burden on a young family, the charges for our professional services will be reduced as a compassionate credit to the family. The family pays all cash advance items.

- A. Still Birth to 11 months 10% of the Traditional Funeral Service Fee
- B. 1 year to 3 years 30% of the Traditional Funeral Service Fee
- C. 4 years to 6 years 50% of the Traditional Funeral Service Fee
- D. 7 years to 12 years 70% of the Traditional Funeral Service Fee

NOTE: These charges are made in addition to our normal charges.

CREDIT POLICY

The E. Vaughn Wray Funeral Establishment has established a uniform credit policy to serve all families fairly and to alleviate "misunderstandings". This policy enables us to contain our costs to all the families we serve. "All financial arrangements must be satisfactorily completed before any public notice of funeral service or any merchandise furnished."

PAYMENT OPTIONS

- 1.. CASH OR PAYMENT BY CHECK: In full at the time of arrangements.
- 2.. ACCOUNTS PAID IN ADVANCE: Through pre-arrangement contract.
- 3.. ASSIGNABLE INSURANCE: Once the assignability, beneficiary designation, outstanding loans, and any payment deductions have been determined from the insurance company (must be timely verification).

NOTE: Medical Examiner cases may warrant non-acceptance if the manner of death is "Pending" and under investigation by law enforcement (even though the policy is in good standing, assignable, and beneficiary has been verified).

- 4.. CREDIT CARDS: Accepted include Visa and MasterCard. Credit Cards may be used to pay part in conjunction with other method or all.

DISCLAIMER OF WARRANTIES

The E. Vaughn Wray Funeral Establishment makes no representations or warranties regarding caskets, outer burial containers or other funeral goods sold by the funeral home. The only warranties, express or implied, granted in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturers thereof. No other warranties, express or implied, including the implied warranties of merchantability or fitness for a particular purpose, are extended by the funeral home. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
