DISCLOSURE

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

You may choose only the item you desire. If you are charged for items you did not specifically request, we will explain the reason for the charge on the written memorandum. Please note that there may be charges for items such as cemetery fees and newspaper notices.
