# Group Fitness Classes

CLASS	DESCRIPTION	INTENSITY LEVELS
Splash & Tone	Low –impact cardio and strength training using water dumbbells, noodles, and other water equipment. Gentle on joints and fun for all fitness levels. No swimming! Just let the water support your weight.	Low to Moderate
Aqua Zumba	A high–energy aquatic “Pool Party” that combines Latin-infused music and dance moves that Zumba® is known for with traditional elements of aqua fitness classes. Aqua Zumba gives participants all the benefits of a full	Moderate
Aqua FIT	Join us for a water aerobics class designed to challenge you from head to toe! Build cardiovascular strength and tone muscles in this multi-level, high-intensity class without impact on your joints. This class will use a blend of cardio routines, wall, work, strength training, and stretching.	High
Water Stretch and Balance	Stretch muscles safely in the water and protect joints by using the buoyancy provided by the water. Feel the lengthening and strengthening of all major and minor muscle groups and reduce discomfort in everyday activities. Strengthen core muscles to improve your balance, posture, and general well-being.	Low
Kettlebell	Improve cardiovascular fitness while targeting strength, balance, and agility. This class offers various aerobic exercises and powerful kettlebell moves to increase muscular strength, improve posture, and amp up cardio endurance.	All Levels
At the Table	Learn about essential nutrition information and recipes that can lower cholesterol, blood pressure, and blood sugar.	All Levels
Tai Ji Quan	Learn 8 forms based in Yang-style Tai Chi. Paired with additional Mini-Therapeutic Movements, each form has been modified to increase the strength, balance, and flexibility of older adults with a higher risk for falls.	All Levels
Silver Fitness Programs	Our Silver Fitness Programs are innovative health, exercise, & wellness programs to help senior adults live healthy & active lifestyles through physical activity & social interaction.	Low
Chair Pilates	Tone your abs in the chair using your body weight, compression ball, and other fitness equipment. Use a chair for balance as you tone the rest of your core, including your legs and back.	Low
Chair Stretch & Balance	Increase your range of motion, strength, and flexibility through gentle stretches done in the chair. Relieve muscle aches from head to toe. Learn techniques to improve your balance.	Low
Mat Yoga	A gentle flow designed to strengthen and stretch muscles, increase range of motion, and improve balance for fall prevention. Breathing techniques enhance cognitive abilities and pain management for greater well-being.	Low
Silver Sneakers Classic	A variety of exercises designed to increase muscular strength, range of movement, and activities for daily living. Hand-held weights, elastic tubing with handles, and a Silver Fitness ball are offered for resistance and a chair is used for seated and standing support.	Low
Silver Sneakers Circuit	Low-impact choreography alternated with standing upper and lower body strength work with hand-held weights, elastic tubing with handles and a Silver Sneakers ball. A chair is available for standing support, specific seated exercises and stretches.	Low
Silver Sneakers Enerchi	Modified tai chi forms in a slow, flowing sequence to progress balance and focus. A chair is offered for standing support.	
Tone It Up	Tone It Up fitness class offers head to toe body conditioning exercises to improve muscular physique, strength, and endurance in all major muscle groups. Low impact cardio combined with the use of hand weights, resistance tubes, stability balls, and body bars will enhance posture, increase bone density, stabilize joints, and increase strength. All levels welcome.	All Levels
Silver Sneakers Tai Chi	Often called "meditation in motion", it is a gentle form of exercise that can help you maintain strength, balance and flexibility	Low
Dance2Fit	Dance2Fit uses various types of popular hip-hop music to create an aggressive but rewarding full body workout	High
Gentle Yoga	Great for beginners, seniors or a gentle refresher. Postures, gentle stretches, breathing exercises & relaxation skills at your own pace.	Low
Pilates Express	Take a break from your day with lunch time Pilates. This 35 minute class is designed to get the blood pumping, tone, lengthen, strengthen your body focusing on your core, butt, and arms.	All Levels
Tai Ji Quan	A research-based balance training regimen designed for older adults and people with balance disorders.	
Yoga	Perfect for all levels. Find balance, calm your mind, relax your body & improve flexibility.	Low
Zumba Gold	Perfect for active older adults who are looking for a modified Zumba® class that recreates the original moves you love at a intensity. This class will focus on balance, range of motion, and coordination.	Low to Moderate
Rock Bottom	Total body workout focusing on sculpting your booty, legs, and abs.	Moderate
Zumba	Tone & sculpt while burning fat in this fusion of hypnotic musical rhythms & tantalizing moves to create a dynamic workout designed to be fun & easy to do.	Moderate
Zumba Step	This class is a 50/50 combination of Zumba & Zumba Step. It combines the awesome toning and strengthening power of Step aerobics, with the fun fitness-party that only Zumba brings to the dance floor. Zumba Step increase cardio and calorie burning, while adding moves that define and sculpt your core and legs.	Moderate to High
Senior Interval	A interval mix of strength and cardio exercises	Moderate to High
Kettlebell Intro	Chair-based kettlebell training focusing on the foundations and fundamentals of basic kettlebell exercises that help prepare participants for the regular kettlebell training class. It can also be used as a warmup for the regular kettlebell training class. The purpose of this class is to help participants improve their strength and cardio fitness and build confidence utilizing lighter weights at a slower pace.	Low
Hardcore	Burn up to 600 calories while strengthening & toning those core muscles by using a variety of equipment including body bars, TRX, and more.	High
