For Food Venders

GENERATORS & FIRE REGULATIONS - Water or Electricity is not available.

- If you are using propane or other gas and/or propane using a flame of any kind, you must bring a fire extinguisher and have it at your booth. Propane must be 10’ from any tents or canopies.
- If you are using any equipment that creates heat – for example electric pot/ pan, soldering gun, welder, or anything that will be hot, you must bring a fire extinguisher and have it at your booth.
- If you are selling food from a vehicle and/or need to run a generator for food storage and/or preparation, you must bring a fire extinguisher and have it at your booth/vehicle.
- Generators are required to be 10’ from any tents or canopies.
- You must follow the manufacturer’s recommendations for safe use of your generator.
- Vendors using generators must use “silent” generators with a volume output less than 65 decibels—this requirement will be strictly enforced, so please be certain that your generator is “silent”. Many RENTAL generators are NOT silent. Vendors operating noisy generators will be asked to turn them off. Generators older than 5 years will probably not meet the criteria.

INFORMATION FOR THE DAY

- Staggering Outdoor arrival times will be starting at 7:30 am. You will receive your set-up time a week before the market. **MUST COME AT DESIGNATED TIME!!!!**
- Indoor arrival time will be 8:30am, please do not come earlier.
- Morning of the Market you can drive into the Community Center at the time you are assigned and get your site number, and you will have 15 minutes to drop all your items and then move your vehicle to the parking lot next to the Atkinson Post Office or Refined roofing. We will direct you to where to park. This is the same for Indoor vendors, except you will arrive at 8:30am.
- The Parking lot is for the shoppers, this is why we ask you to move your vehicle right away!!!
- You need to cross the street with the Police Officer when you come back from parking your car or retrieving your car. Always use the Police Detail to cross Rte. 121. It can be a terribly busy street. (Safety first!) If you have mobility issues, please let us know before the market. We will try and set something up for you. We have one parking spot per vendor, if you need another spot, please let us know before the market and we will try and work something out.
- Market hours: You must be customer-ready by 10 am and cannot break down before 3pm. At the 3pm close you must start breaking down then go retrieving your vehicle, using the Officer to cross the street.
- Restrooms: Inside the Atkinson Community Center.
- Trash: See previous page under "General"
- Please be aware and particularly careful not to damage the trees, lights, benches, signs, etc. DO NOT tie or tape anything to the trees, benches, etc. DO NOT use paint on the sidewalks, brickwork, or paved areas.
- **Weighted Canopy Requirements:** All canopies must be properly weighted with heavy weights, cinder blocks, cement blocks, etc.
- You cannot open it if your canopy is not appropriately weighted! For all 10' x 10' canopies each leg should be weighted with a minimum of 24lbs of weight = approximately 100lbs total weight. (A typical gallon jug full of water weighs 8lbs).
- AWCC reserves the right to accept or reject any application or products.
