AT SOUTH LAKES GOLF CLUB

About South Lakes

The South Lakes Golf Club was established in 1966 as the first golf course and residential community development of its kind in Australia. The Club enjoys Santa Anna couch fairways and bent poa greens irrigated all year round from the Murray River. We have a strong membership base being amongst one of the largest regional clubs in South Australia.

Located on the Fleurieu Peninsula a popular tourist destination, South Lakes Golf Club sees many visitors pass through each year. South Lakes Golf Club is known for its great Social atmosphere and frequently hosts special social events and social Competitions.

The design of the course provides golfers of all ages, with differing skill levels, the opportunity to enjoy a leisurely round of golf.

South Lakes Junior Squad

The South Lakes Junior Squad was introduced in 2022. South Lakes is dedicated to growing the game of golf and it is no secret that junior golfers are our future. We have designed a junior program that helps challenge new and existing junior golfers to further develop their skills and techniques to help them succeed in the game of golf.

The Junior Golf Program teaches important golf skills and techniques and develops important life skills such as hard work, commitment, team work and patience.

Our main goal is for all of our juniors to enjoy their time here at South Lakes and to get them on their golfing journey.
