# HOW WE HELP GROW PROFITS:

## PILLAR ONE

**Accurate & Timely Records** - Our client retainer packages include all of your basic bookkeeping tasks, such as accounts payable and receivables, payroll, automatic bank feeds, bank coding, bank reconciliations, and electronic filing. We'll even reconcile connected apps like ServiceM8 and Tradify. No more mess!

## PILLAR TWO

**Cost Accounting & Reporting - This is the secret sauce!!** Don't pay thousands to a tax accountant to get your Profit & Loss analysed - we built an App our clients can access for free! All client packages include monthly profit & loss reports, simply drop this into our new **PROFIT IN YOUR POCKET** app and get a free analysis instantly! Want to go deeper? We can setup job costing systems for project based work and help with labour costing, building profit into your annual goals and more!

## PILLAR THREE

**Industry Compliance** - Choose to include standard industry compliance in your retainer package to take the stress away from you. Your monthly or quarterly IAS & BAS, single touch payroll reporting, superannuation, annual TPARs, and portable long-service leave reports are all optionally included in our service so you never have to worry about being late again.
