

Bain Dental Group's Dental Savings Plan makes quality care affordable—with low costs and none of the hassles of traditional insurance:

- NO deductibles
- NO claim forms
- NO waiting periods
- NO annual maximums
- NO pre-determinations
- No treatment limitations

Your Entire Family is Eligible!

You may enroll your spouse and eligible dependents. Eligible dependents include your unmarried children to age 19, and full-time students to age 23.

BAIN DENTAL & AESTHETICS GROUP

Dr. Brian Bain brings a strong academic background and advanced clinical training to his patients. He earned his Doctor of Dental Surgery (DDS) degree from the University of Nebraska Medical Center College of Dentistry, following a Master of Science in molecular biology from the University of Nebraska at Kearney and a bachelor's degree in biology from Luther College in Decorah, Iowa.

Committed to staying at the forefront of dental innovation, Dr. Bain has completed extensive continuing education in advanced treatments, including dental implants and ClearCorrect™ invisible braces.

His dedication to excellence has been recognized by prestigious organizations such as the American Academy of Orofacial Pain, the American Association of Endodontists, the American Association of Oral and Maxillofacial Surgeons, and the American College of Prosthodontists. A proud member of the American Dental Association, Dr. Bain is also certified in Straight Wire Orthodontics by the International Association for Orthodontics and in dental implantology through North Star Dental Education.

With his blend of advanced education and hands-on expertise, Dr. Bain is passionate about delivering exceptional care and the latest treatment options to every patient he serves.
