BASIC SERVICES OF FUNERAL DIRECTOR & STAFF

This is a basic fee that is charged to every family for our professional expertise in assisting them with their preferences. It includes a portion of our overhead, which includes taxes, licenses, utilities and business expenses required to serve the public. Our charge includes, but is not limited to online consultation with the family, administrative and clerical services, preparations of local and state government documents, preparation of required permits, filing the death certificate with appropriate agencies, and when necessary, notification to clergy, cemetery, crematory or common carrier. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations.*) \$ 350.00

*The FTC Funeral Rule also states that this fee is included in immediate burials and forwarding or receiving of remains, however we do not offer those services. If these are services you wish, you may need to contact a different funeral establishment.
