# HAPPY HELPERS MOVING & PACKING CHECKLIST

A simple, customer-friendly guide you can actually use.

### 6–8 Weeks Before Your Move

- ☐ Walk through your home and declutter—donate, toss, or keep.
- ☐ Measure doorways, stairs, and rooms in your new place.
- ☐ Start a small “moving folder” on your phone or laptop.
- ☐ Take photos of valuables for your records.
- ☐ Begin gathering supplies.

### 4–6 Weeks Before Your Move

- ☐ Start packing the easy areas: guest rooms, seasonal items, décor, books.
- ☐ Make a simple inventory list.
- ☐ Notify schools and start updating your address where needed.
- ☐ Confirm utility transfers for both homes.

*If this already feels like a lot of evenings and weekends, many of our customers switch to **full or partial packing services** at this stage — we can pack the entire home, or just the hard stuff like the kitchen, closets, and fragile items.*

## 3–4 Weeks Before

- ☐ Pack living room décor, media, and non-essential electronics.
- ☐ Pack extra bedding, off-season clothing, and anything stored under beds.
- ☐ Start using up freezer and pantry items.
- ☐ Confirm utility transfers for both homes.

## 2 Weeks Before

- ☐ Pack kitchen items you won't need over the next two weeks.
- ☐ Wrap fragile items carefully (dishes, glasses, serving ware).
- ☐ Pack bathroom backups, decorative items, and non-essential office items.
- ☐ Back up important computer files.

*If the kitchen, glassware, or breakables are stressing you out, this is a great moment to hand just that part to us with a **partial packing service** – for example, a “kitchen-only” or “fragile-only” pack.*

## 1 Week Before

- ☐ Finish packing kitchen and bathroom items (leave just a few essentials).
- ☐ Pack garage, outdoor items, and tools.
- ☐ Prepare your “essentials” bag: chargers, toiletries, medications, 1–2 outfits, documents, laptop, snacks, and basic tools.
- ☐ Back up important computer files.

## 2–3 Days Before

- ☐ Pack the last items except your absolute daily essentials.
- ☐ Empty the fridge and freezer.
- ☐ Do laundry and take out trash.
- ☐ Set aside items that need special care so our movers can prep them properly.

*Not comfortable packing TVs, artwork, mirrors, or other delicate pieces? Our team can step in with expert "last-mile" packing just for those items so you don't have to worry about how to protect them.*

## Moving Day

- ☐ Dress comfortably and keep your essentials bag with you.
- ☐ Do a final walkthrough: closets, cabinets, storage areas, garage, attic, and basement.
- ☐ Show the movers special-care items and the load/unload path.
- ☐ Before leaving, lock up, turn off lights, take photos, and leave keys as directed.

*If you booked Happy Helpers Moving Co, our crews can also help finish light packing, secure furniture, and wrap everything so your belongings travel safely.*
