The Basic Service Fee represents the necessary charge to professionally assist our families with their service preferences. It includes a proportionate share of the taxes, licenses, insurance, utilities, and business expenses required to serve the public on a 24 hour, ready-to-serve basis. It includes administrative and clerical services, including local telephone and facsimile use, preparation of death certificate (to be signed by the attending physician or coroner) & necessary permits, filing the death certificate with appropriate government agencies, consultation with clergy, cemetery, crematory, or common carrier, and planning the funeral or memorial services as determined by the family. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.
