## Our History

Founded as "Cedar City" in 1885 by lumberman Benjamin Boughey. The town of Cedar originated as a Lumber town due to the plentiful trees and proximity to river access for transportation. In 1910, the name was simplified to "Cedar" by the local Postmaster. The area was settled by Polish Homesteaders and eventually became the home of the Polka Fest in 1975. The Cedar Tavern has long been regarded as a keystone of our community, having taken root on this very site through various operations, expansions, and owners since 1901.

It has withstood the test of time as Cedar's local watering hole and gathering place for meals, music, weddings, events, and cheer for 125 Years. We acknowledge the Anishinaabe's stewardship of this land.
