PLEASE READ THE WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY CAREFULLY.

WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE

WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;

3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the workers compensation law that apply to:
 - a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.

2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;

5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sections 901 et seq.), the Non-appropriated Fund Instrumentalities Act (5 U.S.C. Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651-1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901-944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;
9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we

have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. **Bodily Injury by Accident.** The limit shown for "bodily injury by accident-each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.
A disease is not bodily injury by accident unless it results directly from bodily injury by accident.
2. **Bodily Injury by Disease.** The limit shown for "bodily injury by disease-policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease-each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.
Bodily injury by disease does not include disease that results directly from a bodily injury by accident.
3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance.

You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
 2. The amount you owe has been determined with our consent or by actual trial and final judgment.
- This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE - PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated,

premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. **Records**

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. **Audit**

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX - CONDITIONS

A. **Inspection**

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be

charged. We may give you reports on the conditions we find. We may also recommend changes. 4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

YOUR INSURANCE AUDIT - HOW TO SAVE TIME AND MONEY

WHAT IS AN INSURANCE AUDIT?

Insurance audits are typically performed on commercial insurance policies providing auto, general liability, garage liability, umbrella and workers compensation coverages. When these policies are issued, you are asked to pay an estimated premium. Estimated premiums are based on the nature of your business and your estimate of exposures (i.e., payroll, sales, etc.) for the policy period.

Once your policy expires, we conduct an audit to collect information on actual exposures and operations. From this information, we determine the final earned premium. Premium adjustments are then determined by comparing audited exposures and operations with the original policy estimates.

WHAT RECORDS ARE NEEDED FOR THE AUDIT?

Good record keeping is important to the audit process. Accurate records provide and confirm information, save time and minimize your insurance costs. The premium auditor will let you know which of the following records will be needed for your audit when the audit appointment is made.

- **PAYROLL RECORDS** include payroll journal and summary, federal tax reports (941's), state unemployment reports and individual earnings records. Totals should be kept for overtime when applicable.
- **EMPLOYEE RECORDS** include the number of employees and hours, days or weeks worked annually.
- **SALES JOURNAL** includes all goods or products sold, rented and/or distributed as well as service, repair and installation. Sales or excise taxes collected separately and submitted to the government need to be identified in order to be excluded.
- **CHECK REGISTER** and **CASH DISBURSEMENTS** show payments to subcontractors, material costs and payments for casual labor.
- **CERTIFICATES OF INSURANCE** show the subcontractors used during the policy period for construction, erection and/or repair for general liability and workers compensation insurance coverages. They are also used for commercial automobile hired auto coverage.
- **INCOME STATEMENTS** include subcontracted labor costs and payroll amounts.

WHEN AND HOW WILL THE AUDIT BE DONE?

We will collect audit information from you shortly after your policy expires. Smaller, less complex policies may only require that you assemble and send the necessary information to us, or have the information available when a telephone auditor calls.

Larger and more complicated policies are handled by a field auditor, who will schedule an appointment with you shortly after the policy expires.

If you must change or cancel a scheduled appointment, please contact the auditor as far in advance as you can. It is best to schedule and complete this audit within 30 days from your policy expiration date. It is important for the auditor to ask questions about your operations. If you cannot be present to answer questions, someone familiar with the specifics of your entire business operations should be available. If you direct us to your accountant, we will obtain as much information as possible from your accountant and contact you with additional questions.

Most of our audits take a half hour or less, but audits of larger policies may take longer. Though the auditor will have a number of questions, you will not have to be directly involved during the entire audit if adequate records are available.

HOW CAN YOU SAVE MONEY?

There are several ways you can save on premium dollars depending on the type of business and coverages you have. Not all of the following may apply to your particular business.

- **PAYROLL DIVISION** - A single employee's payroll can be divided, except when the employee works in a clerical, sales, drafting or driving position. Proper records must be kept in dollar amounts that reflect work actually performed before a breakdown can be applied. Without adequate records, the entire payroll for the employee must be placed in the highest rated classification.
- **EMPLOYEE TIPS** - Tips declared by employees may be excluded from their gross payroll only if separately identified. Amounts added to customer's bills, such as service charges, which are collected by you and disbursed to your employees are not excludable.
- **CERTIFICATES OF INSURANCE** - Have certificates available for the audit at your premises (or your accountant's) to ensure that charges are not made unnecessarily. It is best to obtain a certificate of insurance prior to a subcontractor performing work for you. Certificates must cover the period when the subcontractor worked for you. This may require certificates covering two different policy terms for the subcontractor.
- **DRIVERS** - (For general liability coverage), employees with the sole responsibility of driving may often be excluded from chargeable payroll, if their wages are shown separately. However, employees who perform other duties besides driving must be placed in the highest rated class describing their duties.
- **COST OF HIRE** is commonly used on commercial automobile policies as a premium basis for hired auto coverage. This includes automobiles and trailers used under contract on behalf of or loaned to the named insured, which may include rental units as well as subcontracted hauling for the insured.

Your business is unique. If you have questions about how your specific circumstances will affect savings, please contact your insurance agent.

BASIC DEFINITIONS

- **REMUNERATION** is commonly called payroll, but can include items not normally part of payroll, or exclude items which are part of payroll. It includes wages, the value of meals and lodging, and other substitutes for money. (Substitutes for money include draws, dividends, traveling expenses and travel time payments, gift certificates or merchandise credits, annuities, and contributions to individual retirement accounts. This list is not all inclusive but represents common substitutes for money). Your premium auditor will discuss this with you at the time of your audit.
- **OVERTIME** is the hours worked for which there is an increase in the rate of pay. It includes:
 1. Work in excess of 8 hours per day, or 40 hours per week.
 2. Work on Saturdays, Sundays or holidays.
 3. Work in any day or week, in excess of a guaranteed wage agreement.
 4. Ordinarily, overtime pay is equal to 1 1/2 times the regular hourly rate. For example, a regular pay rate of \$10 per hour at time and a half generates a \$15 per hour overtime rate. If the extra \$5 of pay is shown separately, it is excluded in total. If total overtime wage is shown in a combined amount of \$15 (regular pay plus increase) and included in gross payroll, one third (\$5) will be deducted from gross pay. If the overtime wage is calculated at double time, one half will be deducted from gross pay.
 5. Extra pay for shift differential is not considered overtime.
- **GROSS SALES** is the gross amount charged by you or others trading under your name for all goods or products sold or distributed, operations performed and rentals. Some deductions from gross sales include sales or excise tax, returns and allowances and finance charges for items sold on installment.
- **SUBCONTRACTOR** is often used interchangeably with "independent contractor". We ordinarily apply the definition to subcontractors performing construction, erection or structural alteration for a general contractor. Most workers compensation laws hold you responsible for employees of an uninsured subcontractor. In some states, they may extend to an uninsured subcontractor without employees, if an employee-employer relationship can be established. A liability policy will also include a charge for subcontractors as though they were your employees if there is no certificate showing evidence of insurance. Subcontractors can easily obtain a certificate of insurance through their insurance agent.
- **TOTAL COST** is the cost of all work let or sublet in connection with each specific project including:
 1. The cost of all labor, materials and equipment furnished, used, or delivered for use in the execution of the work.

2. All fees, bonuses or commissions made, paid or due.
3. The rates apply per \$1,000 of total cost.

COMMONLY ASKED QUESTIONS

Q: Why is an audit necessary?

A: To calculate the exact amount of premium you will be charged. Actual exposures and operations are determined by an audit. After they are compared with initial estimates and later endorsements, a final audit premium is determined.

Q: If overtime is not summarized, will I still get credit?

A: Overtime records must show overtime pay separately by employee or classification or it will not be deducted.

Q: If I do not have certificates of insurance from subcontractors for the audit, will I be able to get them?

A: It is in your best interest to request a certificate from a subcontractor prior to the work being performed, rather than at the time of audit. You will be charged for employees of those subcontractors not providing certificates as though they were your employees.

Q: Several of my employees do more than one type of work. How should I assign their payrolls?

A: Payrolls may be divided into appropriate classifications, provided the division is reflected on the original records in dollar amounts.

Q: Some of my work could be considered clerical and sales. Should I separate it?

A: The clerical and sales classifications cannot be used with any other class for division of a single employee's payroll

Q: Is it necessary to provide audit information if my renewal policy has been canceled?

A: Yes, policies are issued using estimated payroll or sales. Actual payroll or sales needs to be known to determine if additional premium is due the company, or a return premium is due the policyholder.

In some states, a surcharge/penalty may be applied to the policy for failure to comply with the audit process.

WISCONSIN CANCELLATION AND NONRENEWAL ENDORSEMENT

WC 48 06 06 B

This endorsement applies only to the insurance provided by the policy because Wisconsin is shown in Item 3.A. of the Information Page.

The Cancellation Section (D) of the Part Six - Conditions is deleted and replaced by the following:

A. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect. If you purchase replacement insurance, the cancellation becomes effective on the date the new coverage becomes effective. If no replacement coverage is purchased the cancellation will be effective (see attached)
2. We may cancel the policy for any reason if the policy has been in effect for less than sixty (60) days. If the policy is issued for a term longer than one year or for an indefinite term, we may cancel the policy for any reason on an annual anniversary of the policy effective date. We may cancel the policy at any other time for the following reasons:
 - a. You fail to pay all premiums when due, however, we must deliver or mail, first class, not less than thirty (30) days advance written notice stating when the cancellation is to take effect;
 - b. A material misrepresentation
 - c. A substantial breach of the obligations, conditions or warranties under the policy; or
 - d. A substantial change in the risk we assumed under the policy, unless it was reasonable for us to foresee the change or expect the risk when we issued the policy
3. If we cancel for any permissible reason other than nonpayment of premium, we must deliver or mail, first class, not less than *thirty (30) days notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information page will be sufficient to prove notice.
4. The policy period will end on the day and hour stated in a notice of cancellation.

B. Nonrenewal

1. You have the right to have the insurance renewed unless we deliver or mail to you not less than *sixty (60) days advance written notice stating our intention not to renew this policy.
2. We do not have to renew this insurance if you do not pay the renewal premium billing by the due date or if you accept replacement insurance, are insured elsewhere, requested or agree to nonrenewal, or if the policy is expressly designated as being nonrenewable.
3. If we renew the insurance, we may use the policy forms, rates and rating plans we are then using for similar risks. We may limit the policy to a term equivalent to the term of the expiring policy or one year, whichever is less.
4. If we offer to renew the policy on less favorable terms, we will mail or deliver written notice of the new terms by first class mail to you, the policyholder, at least sixty (60) days prior to the renewal date. The definition of "terms" does not include manual rates, experience modification factors, or classification of risks.

If we provide such notice within sixty (60) days prior to the renewal date, the new terms will not take effect until sixty (60) days after written notice is mailed or delivered, in which case, you, the policyholder, may elect to cancel the renewal policy at any time during the sixty (60) day period. The notice will include a statement of your right to cancel. If you elect to cancel the renewal policy during the sixty (60) day period, the return premium or additional premium charges shall be calculated proportionally on the basis of the old premiums.

We need not mail or deliver this notice if the only change adverse to you is a premium increase that; (a) is less than 25%; or, (b) results from a change based on your action that alters the nature and extent of the risk insured against; including, but not limited to, a change in the classifications for the business.

- * Any written agreement attached to and made a part of the policy, between the insurance carrier and policyholder that extends the cancellation or nonrenewal notification time frame, will supersede the aforementioned notification requirements found in items A.3., and B.1., respectively.

TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT DISCLOSURE ENDORSEMENT

WC 00 04 22 C

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property, or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premium, during the immediately preceding calendar year.

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a calendar year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the United States Government would pay 80% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page or in the Schedule below.

EMPLOYER AND INSURANCE CARRIER INSTRUCTIONS

The employer must complete all relevant sections on this form and submit it to the employer's worker's compensation insurance carrier or third party claim administrator within seven (7) days after the date of a work-related injury which causes permanent or temporary disability resulting in compensation for lost time. The employer's insurance carrier or the third-party claim's administrator may request that this form also be used to immediately report any injury requiring medical treatment, even though it does not involve lost work time.

For any work injury resulting in a **fatality**, the employer must also submit this form directly to the Department of Workforce Development **within 24 hours of the fatality**.

An employer exempt from the duty to insure under s. 102.28, Wis. Stats., and an insurance carrier administering claims for an insured employer are required to submit this form to the Department of Workforce Development within 14 days of the date of work injury.

MANDATORY INFORMATION

In order to accurately administer claims, each of the following sections of this form must be completed. The First Report of Injury will be returned to the sender if the mandatory information is not provided.

Employee Section: Provide all requested information to identify the injured employee. If an employee has multiple dates of employment, the "Date of Hire" is the date the employee was hired for the job on which he or she was injured.

Employer Section: Provide all requested information to identify the injured worker's employer at the time of injury. Provide the name and Federal Employer Identification Number (FEIN) for the insurance carrier or self-insured employer responsible for the worker's compensation expenses for this injury. Also identify the third party claim administrator, if one is used for this claim.

Wage Information Section: Provide the information requested regarding the injured employee's wage and hours worked for the job being performed at the time of injury.

Injury Information Section: Provide information regarding the date and time of injury. Provide a detailed description of the injury, including part of the body injured, the specific nature of the injury (i.e., fracture, strain, concussion, burn, etc.) and the use of any objects or tools (i.e., saw, ladder, vehicle, etc.) that may have caused the injury. Provide the name of the person preparing this report and the telephone number at which they may be reached, if additional information is needed. This form was designed to include information required by OSHA on form 301. If this section is completed and retained, the employer will not have to complete the OSHA 301 form.

Help Us To Help You Reduce Your Insurance Cost**CONTRACT WORK**

The Workers Compensation Law may make you responsible to the employees of a contractor (or subcontractor) doing work for you, unless such contractor (or subcontractor) is operating under the Workers Compensation Act. Your Workers Compensation and Employer's Liability Insurance Policy affords you complete coverage for this liability.

If such contractor (or subcontractor) is operating under the Workers Compensation Act, you should secure satisfactory evidence to that effect, preferably by securing a Certificate of Insurance, to be retained by you and to be available to our payroll auditor at time of audit.

Lack of such evidence requires a statement of wages earned by employees of such contractor (or subcontractor) upon which you may be charged the appropriate premium.

MINORS

The illegal employment of minors is one source of excessive losses. The laws of many states require that up to triple benefits be paid to injured employees under 18 years of age unless their employment has been made legal. This may require approval of your state labor department for you to employ minors in the kind of work being done and the minor himself may be required to secure a "working permit". You will want to check with your state authorities to be sure you are in compliance with the law.
