PASTORAL CARE

For pastoral care requests,

We are starting to explore the possibility of sharing a minister, Reverend Grace EunKyung Lee, through a collaboration agreement with our neighbouring Trinity United Church. Although this may provide our two congregations with an opportunity to work more closely together on the short term, by sharing a minister, it is not the next step in the amalgamation process. Our work towards possible amalgamation, continues as planned with the Oakville four churches. These will be two separate processes.

To help us navigate this important option for our church, we have formed a committee, and we will be following the shared ministry discernment process outlined by Horseshoe Falls Region. Munn's representatives on the committee include Mary Parsons, Chair of Unified Board, Geoff Pilmoor, Treasurer and Finance Committee Representative, Janice Sidney, Chair of Ministry and Personnel, and Lahring Tribe, Chair of Worship and Music Committee. If we determine through our discernment that this is the best process for both Trinity and Munn's, we will be coming back to our congregation with more details. Moving to shared ministry is a decision that must be made by our entire congregation.

In terms of timing, we are just getting started on the process and we hope to have worked through the region's steps over the next couple of months. Please reach out to a member of the committee if you have any questions.

will take place after worship on
