

Newsletter December 2026

As we step into a brand-new year, we're delighted to share a look back at the festive season here at Mostyn Lodge a time filled with creativity, connection, and cherished memories.

December brought a wonderful buzz of activity throughout the home. Our residents embraced the spirit of the season by creating their own beautiful baubles for the Christmas tree. Each decoration was lovingly crafted, and the joy on everyone's faces as they hung their baubles was truly heart-warming. The tree became more than just a festive centrepiece it became a tapestry of personal stories, creativity, and shared moments.

One of the most touching parts of the month was our reminiscence sessions. Residents gathered to share stories of Christmases past childhood traditions, family rituals, and the little moments that made the holidays magical. From tales of handmade toys to memories of snowy walks, these conversations filled the home with warmth and nostalgia. It was a beautiful reminder of the rich histories and experiences that each resident brings to our community.

Our staff also enjoyed a well-deserved festive outing to The Hunters Rest for their Christmas meal. It was a wonderful opportunity for the team to relax, celebrate their hard work, and enjoy each other's company outside the busy day-to-day of the home. Laughter, good food, and great company made it a memorable evening for all.

With the launch of our new website, newsletters have been a little more sporadic than usual. We appreciate everyone's patience as we've settled into the new system. We're pleased to share that from the New Year onward, newsletters will once again be uploaded at the end of each month, keeping families and friends up to date with everything happening at Mostyn Lodge

From all of us at Mostyn Lodge, residents, staff, and the wider community, we wish you a joyful, healthy, and peaceful New Year. Thank you for your continued support, kindness, and connection. We look forward to sharing many more moments with you in the months ahead.

Nicholas.
