### PROFESSIONAL EXPERIENCE

**Forensic Accountant / Litigation Consultant**

## **Genesis 41 Advisory Services| St. Petersburg, FL**

2026 – Present

Provide forensic accounting, business valuation, and litigation consulting services to attorneys, corporations, and individuals in complex financial disputes.

### Representative Engagements:

- Conduct financial investigations involving alleged embezzlement, fraud, and misappropriation of assets
  - Perform asset tracing and funds flow reconstruction across bank accounts and entities
  - Analyze financial records to determine economic damages in commercial litigation
  - Provide expert witness opinions and testimony in state and federal court
  - Assist attorneys with discovery strategy and financial document requests
  - Perform business valuation analyses for shareholder disputes and marital dissolution
- 

## **Forensic Accountant – Criminal Investigative Division**

Federal Bureau of Investigation

2006 – 2026

Led complex financial investigations involving healthcare fraud, public corruption, securities fraud, money laundering, and other white collar criminal matters. Collaborated with special agents, federal prosecutors, regulatory agencies, and other forensic specialists to develop financial evidence supporting criminal and civil litigation, as well as asset forfeiture proceedings.

### Key Responsibilities:

- Directed large-scale financial investigations involving complex transactional data
- Conducted forensic analysis of accounting records, bank statements, and financial databases
- Prepared detailed financial summaries and exhibits for use in federal court proceedings
- Participated in witness, subject, and financial institution personnel interviews
- Coordinated financial investigative strategy with the United States Department of Justice and United States Attorney's Office
- Traced proceeds of fraud through layered transactions and shell entities
- Analyzed financial evidence supporting qui tam complaints and False Claims Act matters
- Presented investigative findings to prosecutors and grand juries
- Testified in court proceedings

Representative Investigations:

- Healthcare billing fraud schemes involving complex reimbursement structures
  - Asset concealment and diversion of partnership funds
  - Money laundering through domestic and international financial institutions
  - Public corruption involving misuse of government funds
  - Complex financial crimes involving multi-entity structures
-
