
Who will benefit from the funding of this project? How many students will be impacted?

If successful, what would it take for your proposal to be sustained and replicated to affect a larger number of students?

Have you applied for a grant for this project with another funding partner? If so, who?

Have you ever received a grant from the Coalition for this grant in the past?

Is this a project that has already been awarded?

Please Provide a Letter of Support Signed by the School Principal or Director.
Grants will be awarded in December, 2026
