Patient Portal Guide

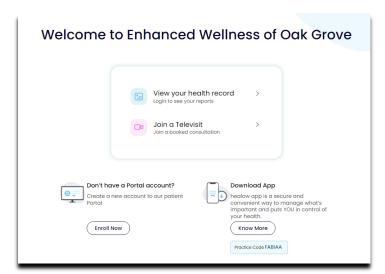

https://health.healow.com/EWOG

PATIENTS MAY:

- > Submit requests for referrals, refills, lab orders, and more.
- Submit messages/questions to the front desk, nurse, or provider.
- > View medical records and past lab results. You can print them from the portal as well.
- Receive educational materials and view any published documents from your provider.
- > You can see your current/past statements. There is not a payment option on the portal.
- ➤ However, you can make a payment on our website: www.enhancedwellnessog.com

We will email/text you an electronic invitation to register for the patient portal. Keep a look out for an email from eCW Patient Portal (no-reply@eclinicalmail.com). We encourage you to log in and activate your account early, so all its features are available to you when you need them. This email will expire after a few days so be sure to register as soon as possible.

If you never registered for the Portal then you can create an account. However, it may take 2 business days before your account becomes active.

Here is a sample of what the login screen looks like.

Click "View your health record".

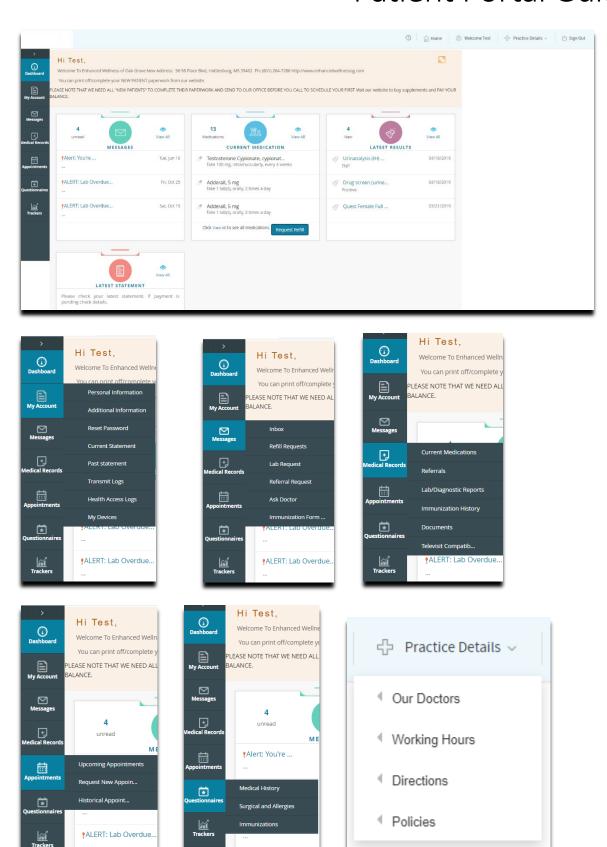

There are 2 ways to log in:

- 1. <u>User Credentials</u> (username and password) you must register first
- 2. <u>Using your mobile phone</u>: You will enter your First name, Last name, and DOB. Then it will let you select a mobile# to send your verification code to. Once you enter your verification code then you should be able to access your portal.

You can also download the <u>HEALOW app</u> from the AppStore. The practice code is <u>FABIAA</u>

If you have any problems logging in, please contact our office. Email: EW OG@yahoo.com
