# LAUNCH AND GROW A PROFESSIONAL CLOTHING ALTERATIONS BUSINESS

The Clothing Alterations Course is a complete, end-to-end program designed to help you set up and run a successful clothing alterations business. It's ideal as a standalone business or as a complementary service alongside tailoring or fashion label operations.

You'll learn how to confidently assess garments, perform in-demand alterations, price your services and manage client work efficiently, while building a business with low overheads, consistent demand and strong repeat custom.

## A TRUE BUSINESS IN A BOX

This course is delivered as a complete Business in a Box, giving you the skills, systems and tools required to move from training to taking paying clients.

Most students are ready to begin offering alteration services within **6–10 weeks**, with a flexible study commitment of approximately **3–5 hours per week**.

## WHAT'S INCLUDED IN YOUR BUSINESS IN A BOX

**Full Training:** Practical, industry-focused training covering core alteration techniques, garment assessment, pricing, workflows and business operations. No prior qualifications are required.

**Supplier Access:** Learn how to source materials, components and equipment required for alterations work, with guidance on quality and efficiency.

**CRM System:** Access a purpose-built CRM system to manage clients, track jobs, record measurements and monitor progress from drop-off to collection.

**E-Commerce Platform:** A simple, customisable online platform to accept enquiries, manage bookings and take payments, supporting a professional client experience.
