BUILD AND LAUNCH A MEN'S FASHION BRAND

The Men's Clothing Label Course is a complete, end-to-end program designed to help you create, launch and grow a men's fashion brand. It blends creative design skills with the commercial systems required to build a label that is relevant, wearable and market-ready.

You'll learn how to design men's garments, source materials, work with suppliers and sell your collections online — while building a structured business designed for long-term growth.

A TRUE BUSINESS IN A BOX

This course is delivered as a complete Business in a Box, providing the creative skills, systems and tools required to move from concept to customers.

Most students are ready to begin launching their first collections within **8-12 weeks**, with a flexible study commitment of approximately **3-5 hours per week**.

WHAT'S INCLUDED IN YOUR BUSINESS IN A BOX

Full Training: Comprehensive online training covering men's fashion design principles, garment construction considerations, branding, pricing, production and business setup. No prior fashion qualifications are required.

Supplier Access: Learn how to source fabrics and production partners suitable for men's clothing, with guidance on quality, fit and consistency to meet market expectations.

CRM System: Access a purpose-built CRM system to manage customers, orders and communications as your label grows. Designed to support fashion businesses without unnecessary complexity.

E-Commerce Platform: A fully customisable online store designed for fashion brands. Learn how to list products, manage orders and accept payments, enabling you to sell directly to customers with confidence.
