CREATE, LAUNCH AND SCALE A WOMEN'S BRAND

The Women's Clothing Label Course is a complete, end-to-end program designed to help you create, launch and grow a women's fashion brand. It blends creative design development with the commercial systems required to build a brand that resonates with customers and performs in the market.

You'll learn how to design women's garments, source fabrics, work with suppliers and sell your collections online — while building a structured, scalable fashion business

A TRUE BUSINESS IN A BOX

This course is delivered as a complete Business in a Box, providing the creative skills, systems and tools required to move from concept to customers.

Most students are ready to begin launching their first collections within **8-12 weeks**, with a flexible study commitment of approximately **3-5 hours per week**.

WHAT'S INCLUDED IN YOUR BUSINESS IN A BOX

Full Training: Comprehensive online training covering women's fashion design, trend awareness, collection development, branding, pricing, production and business setup. No prior fashion qualifications are required.

Supplier Access: Learn how to source fabrics and production partners suitable for women's clothing, with guidance on quality, fit, finishes and consistency across collections.

CRM System: Access a purpose-built CRM system to manage customers, orders and communications as your brand grows. Designed specifically to support fashion businesses without complexity

E-Commerce Platform: A fully customisable online store designed for fashion brands. Learn how to list products, manage orders and accept payments, enabling you to sell directly to customers with confidence
