Kallie's Krusade

Together with the community, Kallie's Krusade will "fight like a girl" against pediatric cancer and other childhood illnesses. Kallie's Krusade will bring financial relief and community support to families stricken with childhood disease. Kallie's Krusade vows to bring honor to those who have fallen to childhood illness through continuous efforts of raising knowledge and awareness to the cause. Hand in hand, with all of the childhood disease survivors, Kallie's Krusade will instill in the community that there is always hope and help in a seemingly endless battle.

Kallie's Krusade is a community effort to "fight like a girl" against pediatric cancer and other childhood illnesses. We will support the fighters, admire the survivors, honor the taken and never ever give up hope.
