

## **No Smoking Policy**

Children's health and well-being is of the utmost importance for the nursery. Smoking has proved to be a health risk and therefore in accordance with legislation, the nursery operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places.

You are respectfully required to abstain from smoking while on the premises, including the car park. This rule also applies to staff, students, parents, carers, visitors, contractors etc.

Staff accompanying children outside the nursery are not permitted to smoke. We also request that parents accompanying nursery children on outings refrain from smoking while caring for the children.

Staff must not smoke while wearing nursery uniform as it is essential that staff are positive role models to children and promote a healthy lifestyle. If staff, choose to smoke during breaks they are asked to change into their own clothing and smoke away from the nursery and its grounds.

This policy also applies to electronic cigarettes.
