

Christian Education Children's Information Form

Parents and/or Guardians,

Please complete the below information on each of your children who attend Children's Church (Godly Play – Kindergarten (age 5) thru 4th grade) or Faith Questions (5th & 6th grades). Offering is collected in both classes. The offering collected supports our local Child Advocacy Services (CAS). If you are able, please remember to send a small offering with your child each week.

The children partake in a communal feast (snack and drink). On the last Sunday of each month, we celebrate any birthdays for that month. On that Sunday, we have cupcakes in lieu of the snack.

We look forward to teaching your children the many foundational and sacred stories in the Holy Bible and helping them to develop a love for Jesus Christ. If you have any questions, please reach out to one of the regular teachers. From time to time, we will have other volunteers filling in. This allows the regular teachers to attend worship.
