

WELCOME TO THE 2026-27 SCHOOL YEAR!

You're crushing it! Carpool shout out!

Parents, kudos to you for a safe and timely drop off and pick up routine. We appreciate that you are:

- staying in your car, off your phone, and alert
- hanging your car tag so that callers can easily read it
- being patient in line and not attempting to go around others
- traveling one way up Bob Beatty
- arriving between 3 and 3:30pm for elementary and 3:30-4:00pm for middle and high school

For more carpool information, [click here](#). Nice job, Pioneers!

6th-12th grade safety video: What you need to know

North Carolina state law now requires that public schools educate 6th-12th grade students about healthy relationships with peers and adults. As such, Pioneer Springs will show this video-- **Protect Our Students** -- to middle and high school students Monday morning during morning circle. Questions? Please contact Glenda Cheek, Director of Operations, at glendac@pioneersprings.org.

Save the date for school picture days - November 12th & 16th!

St. John's Photography will be visiting our school to take portraits of the students. There are no up-front fees or obligations to purchase any prints. Proofs will be available online the week after pictures are taken. More information to follow.
