REACH FOR THE TREES IS UNDERWAY!

Fundraising packets went out last week for our school's biggest fundraising campaign for the year and the early response has been incredible! The importance of this fundraiser cannot be stressed enough as this is our chance to make improvements across the campus and allow our students the opportunities for growth that we all want to see.

On Monday, each classroom received their fundraising salamander. This is a chance to have each classroom track their progress towards our overall goal of $70K. Have your students check in with their teacher each day to let them know how much money they've raised, so that their class can color in the salamander. This is a fun way of keeping your child engaged in the process.

Please make sure that you are assisting your student in reaching their $150 personal fundraising goal by providing as many resources as you can for reaching out to friends and families.

This year's campaign is all about growth, much like our campus-wide educational growth of 100% growth for 100% of our students. Help us to help your scholars by keeping that fire for learning burning bright. We are all in this together and all in for our children.

MS. ALLIE AND PIONEER PLAYERS PRESENTS "PUFFS"

Pioneer Players presents "PUFFS", or Seven Increasingly Eventful Years at a Certain School of Magic and Magic. "PUFFS", written by Matt Cox, is a comedy play that tells the story of the "PUFFS", a group of loyal but often overlooked students, paralleling the classic narrative of a certain boy wizard's journey. The play shifts the focus of "the chosen one" to the secondary characters, allowing the audience to experience a familiar magical world through the eyes of the Puffs. Pioneer Players will be performing the Young Wizard's edition in one act. Please join us on Friday and Saturday, October 24th and 25th, at 6:30 PM. A suggested donation of $10 per person or $20 a family is encouraged to support our blossoming program. Thank you in advance, Third or Nothing!
