Once upon a Friday, our campus bloomed into a storybook kingdom of wonder, and it was all thanks to you!

To our **teachers**, thank you for weaving learning and imagination together so beautifully, guiding your students to bring their tales to life with courage and creativity.

To our **parent volunteers**, your hours of hard work turned our grounds into a realm of castles, garlands, and magic. We could not have done it without your helping hands.

And to **Ms. Ali**, our brilliant Drama teacher, thank you for emceeing our performances and leading the joyful circle dance that gathered our whole community in laughter and light.

Together, you made our Fairy Tale Festival truly enchanting, a celebration of learning, creativity, and community that we will remember ever after.

With gratitude,

Ms. Margaret, Elementary Program Principal
