

Positive Bus Behavior Expectations

Persistent	• Wait patiently 10' back and wait for your driver's signal to board • Politely load and unload your school bus, BE SAFE! • Sit back to back, seat to seat, and feet toward the floor • Stay safe, keeping everything inside the bus and out of the aisle
Respectful	• Listen and follow directions from your driver • Keep your hands, feet, and all your belongings to yourself • Use an inside voice; only the person in your seat should hear you • Help keep your bus clean; food and drinks are for home or school
Inclusive	• Be welcoming to everyone • Make room for others to share your seat • Always use kind words and actions • Do your part to make the bus a better place for everyone
Dependable	• Arrive 5 minutes early to your bus stop • Be ready to board in a single file line when your bus arrives • Stay seated but ready to exit at your stop • Electronic devices are for quiet personal use only
