MAY 2026
NEWSLETTER

Some young chicks came to visit in April for our "All Flourishing is Mutual" worship series.

Ministers: All of Us

The church of my childhood had a weekly worship bulletin. It listed the weekly scripture readings, the congregational prayers, the names of musicians and clergy presiding etc... Then there was a line that always caught my attention as a child:

Ministers: All of Us.

Worship is made of many parts and practices. It includes many people. Some visible, some behind the scenes each offering their gifts to create something meaningful together. It's never just one voice. It's a community.

On **May 17**, we'll have a special opportunity to see that truth come alive in a fresh way. Our children and youth will lead us in worship: preaching, reading scripture, offering prayers, sharing their many gifts, and guiding us through the service.

This isn't just a "cute" Sunday (though there will surely be joy, energy and cuteness!). It's a powerful reminder that the Spirit speaks through all ages, and that ministry truly belongs to all of us.

Come and experience worship shaped by the creativity, honesty, and faith of our young people. You may just hear something you didn't expect, and exactly what you needed.

Transitions, transitions!

It's May, and there are so many transitions swirling around me - it truly feels like a spring thunderstorm!

As a parent, I'm navigating a graduating child for the first time in my life. I always find it remarkable that with the first child everything we do with her is a learning to us as parents and a learning for her as the firstborn. My heart couldn't be more full in my excitement of seeing her get so excited about these next steps of going to college, and at the same time, I feel a bit panicked that she won't be with us in the same way anymore. Perhaps the biggest lesson I've learned as a parent is how to let my heart break in order to let my children grow.

As one of your Pastors, I feel that we too are in the midst of big transition and change. We are trying to keep up with the tides of change by deciding whether to adopt solar energy and what benefits it would provide for the church and what benefits the church would then be providing the earth. (See the report from Trustees and Finance later in the newsletter.) We have spent the last year in a visioning process and now have a strategic plan to begin implementing. We recognize that one of the areas of growth in our congregation is to have a healthy and joyful leadership development where people can step into leadership with all of the support they need, growing in skills in the ways they want to, and living out lay ministry to its fullest! Our strategic plan initiatives give us the opportunity to begin that leadership development as people step in to lead the various parts, and I invite you to pray and discern whether you want to be part of leading the church in this way.

It's all transition! Which makes me think of the end of *The Serviceberry* book by Robin Wall Kimmerer that many of us have been reading and exploring in worship – disruption and transition creates room for new growth, for healthy partnerships, for another chance at beautiful interdependency. May it be so in the life of our church as the Holy Spirit

moves freely, willingly, delightfully to bring love and light to all generations. In the beginning of the church, at the time of Pentecost, there was immense confusion, transition, and a lot of leadership development! May this be the time in our church to embrace what God is calling us to, to open ourselves up to God's Holy Spirit, and to allow God's spring rains to bring a bounty of growth and fruit!

On May 3rd we will celebrate the confirmation of five young people in our church community. Each year (*though many of the elements remain constant*) it is always an absolute joy to see what questions and wonderings our youth have as well as their hopes and dreams for the future of the church. After spending several weeks with them, I have great confidence as their pastor that all five of these individuals are called by God to do fabulous things in the world. In fact, they are already doing them in their friend groups, their schools, our church and beyond. Confirmation is always such a gift and I have treasured

getting to know these individuals a bit better. We celebrate with them and their families in the confirmation of their baptism vows and also their decision to become members here at Love First UMC. These youth were companioned by some fabulous adult mentors that they choose at the beginning of confirmation season for guided conversations, they learned some core principles of the Christian Faith, church history and what we celebrate about our United Methodist identity. They drew from personal experience and Holy Spirit moments to explore and explain how they see God moving in their lives and in our world. They completed a service project in fellowship hall around the theme of Wesley's Three Simple Rules: To do Good, Do no Harm, and to Stay In Love With God.

With great Joy we present the Confirmation class of 2026 (Left to Right: Emily, Gaby, Hazel, Lillian & Colten, along with adult helpers Pastor Susie, Amanda and Brady).

EASTER EGG HUNT

May greetings!

The United Methodist Men's Group hosted the April 3rd Saturday Meal. They provided meals for 130 of our guests. Their generosity provided 50-70 additional meals to our neighbors at Place of Hope and Lincoln Center. Thank you gentlemen for a wonderful meal of ham, cheesy has browns, butter corn, yeast rolls, brownies and clementines.

Thank you to all the volunteers: Rick Ellis, Sy Schlangen, Mert Hubbard, Chuck Lang, RC Grossheider, John Bagaglio, Linda Rollins and Guy Havelka coordinating.

If you're interested in helping with an upcoming 3rd Saturday Meal sign up on our website or scan the QR Code on the sign up on the Connect table just outside the sanctuary. Thanks again UMM. Well done!

Children & Youth Sunday - May 17

Our children will play a joyful and important role in **Children & Youth Sunday on May 17!** They will help lead various parts of the service and share their gifts through music, reminding us that God's Spirit is alive and active in every generation.

To prepare, we will have **practice times after worship** on:

- Sunday, April 26
- Sunday, May 3
- Sunday, May 10

We encourage all children who would like to participate to join us for these rehearsals. It's a fun and meaningful way to be part of worship leadership!

We also celebrate a wonderful **Intergenerational Earth Day event** in April. It was a joy to see children working alongside youth and adults, learning about caring for God's creation and building relationships across generations.

Children & Youth Sunday Prep

- April 26, May 3, May 10
- Participants will gather and practice the various roles for the upcoming service where Children & Youth will lead the congregation in worship

May 17 - Children & Youth Sunday

- Children & Youth lead the worship service!
- Afterwards we will celebrate the service and end of year programming

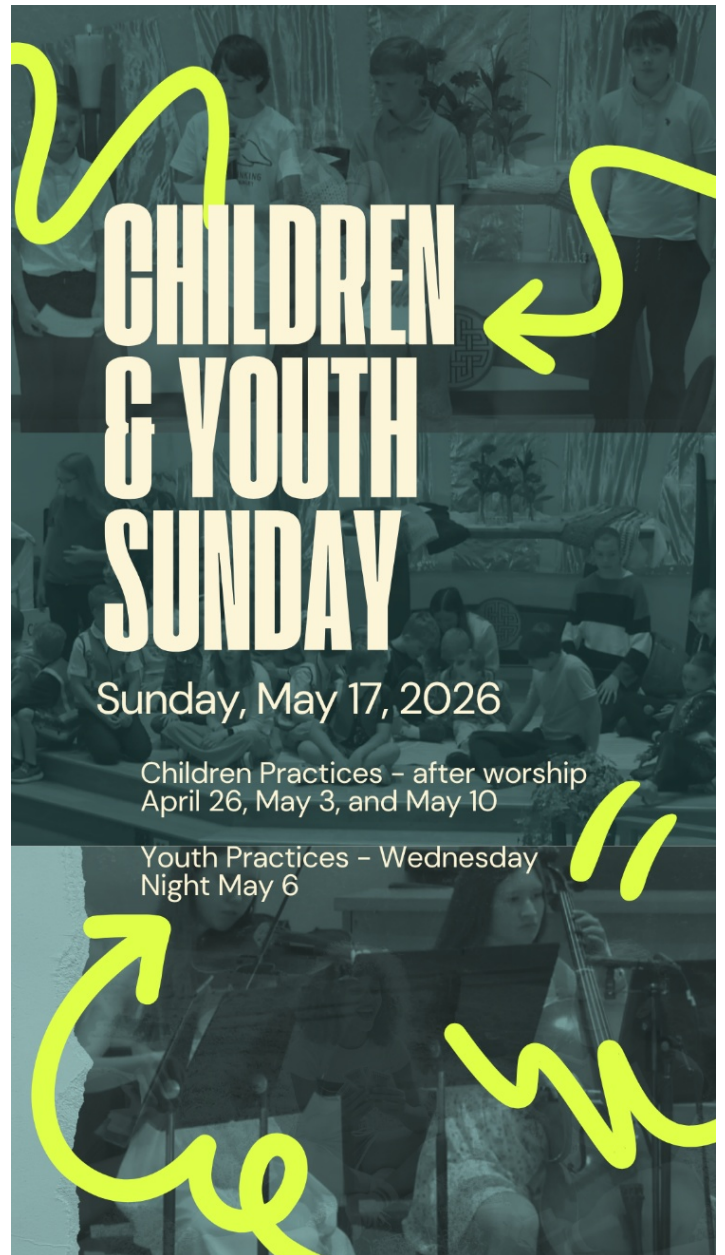

After the May 17 service, families are invited to stay for a **special celebration** marking the end of our children's programming for the semester. It's a time to reflect, give thanks, and celebrate the growth, friendships, and faith that have flourished this year.

We are so grateful for the energy, curiosity, and spirit our children bring to our church community!

This May, our youth are not just participating, they're leading. On **Children & Youth Sunday, May 17**, our junior and senior high students will take on all aspects of leadership in worship. From prayers and readings to music and teaching, they will guide the congregation through the service as an expression of faith in action.

A special highlight of the day will be **Graduation Sunday**, when we celebrate our three graduating seniors. These students will also share the message, offering reflections shaped by their journeys of faith, growth, and community. It's a powerful moment to witness how the Spirit continues to move through each generation.

Following worship on May 17, everyone is invited to a **celebration gathering** as we honor the leadership of our youth and the close of another meaningful year of programming. This day marks the conclusion of youth ministry activities for the semester, and we celebrate all that God has done through these young leaders.

Hello walking enthusiasts,

I am excited to kick off the first walk of the year! Below is some information regarding how the Fellowship Footsteps Walking Club will work this season.

The club will run from late spring through early fall, weather permitting. To keep things interesting, we will explore a different walking route each month. Since I work every other weekend, our meetings will take place every other Saturday starting May 2nd. If you are interested in leading the club on the Saturdays I am unavailable, please let me know at the first meet!

My hope for this club is to foster deeper fellowship and connection within our church while getting some exercise. Walking is perfect for beginners, and I encourage everyone to walk for at least 10-15 minutes every day, not just during our scheduled meets. It is a wonderful opportunity to connect with God through nature.

First Meeting Details:

- Date: Saturday, May 2nd
- Time: 5:00 p.m.
- Location: Sartell Community Center parking lot
- Route: 3 laps around the lake near the Center (between Sta Fit & Coborns on Pine Cone Rd.)
- Attire: Please wear comfortable clothing and supportive walking shoes.

General Tips:

- Weather: I will monitor the weather closely. If a meet needs to be canceled, I will send an email the Friday before.
- Listen to your body: Exercise should be enjoyable. If you experience any aches or pains and need to leave early, please do so.
- Hydration: Remember to bring a water bottle.
- Protection: Wear sunscreen as needed.

See you on the trails!

God's blessings,

Josh

Big Questions, No Answers

2nd Mondays at 10am in church library

Do you find yourself grappling with deep questions about faith, theology, and the nature of God? You're not alone. Join a monthly gathering of seekers and thinkers as we explore where the Spirit is present, especially in the questioning. This month, we're asking: *What is darkness?*

Young at Heart (YAH!) On Friday, May 8, Young at Heart will meet at 10:00 a.m. for a time of fun and games before the potluck meal. Please bring an appetizer, hot dish, soup, salad, dessert or bread for all to enjoy. *Drinks will be provided.*

Bring a favorite game (dominos, Uno, Sorry, etc.) plus a few stories or jokes. A couple games of skill will also be on the agenda. Come for a good time together.

This will be our last meeting until September. Everyone in the 55+ range is invited to attend. Come check us out!

May Communion Offering will be received by Love Offering

Each year, churches in the Minnesota Annual Conference take a Love Offering for missions in conjunction with our Annual Conference Session. The 2026 Annual Conference will take place June 16-18, 2026 at the River's Edge Convention Center in St. Cloud, with a theme of "Created to Serve Joyfully,"

Our Love Offering is not simply charity, but a shared ministry, a way of joining God's work in the world. Bishop Lanette Plambeck invites congregations to pray about and participate in the Love Offering. She shares, "This offering is more than a tradition. It is a tangible expression of our connectional life and our shared commitment to Christ's mission. When we give, we participate in ministry that reaches far beyond what any one congregation could do alone."

Your donations to the 2025 Love Offering totaled **\$89,489.88!** How much can we raise this year?

This year's Love Offering will go to:

- [Midwest Mission](#) (30%)
- [Love Boldly Mental Health Ministries Grant for Minnesota Conference Churches](#) (20%)
- [Endowment for Ministerial Education](#) (20%)
- Minnesota Conference's Emergency Response Fund (20%)
- [Volunteers in Mission \(VIM\) Scholarships](#) (10%)

Meet the Swenson Family - Why we choose to give. *Steven, Carrie, Emily, Abigail, and Walter*

Before Carrie joined the finance team, our family didn't fully realize how deeply our church depends on the generosity of its congregation. First United does not receive funding from a higher conference—every dollar that supports its mission comes from members like us. We choose to give because First United is more than a place of worship. It's a community where we grow in faith, where our children are nurtured through the youth program, and where people in need find support and care.

Our giving helps ensure that this welcoming, supportive community continues for our family and for others.

Solar Energy:

What would it mean for our church?

On April 12th, Martin Petrovskis from All Energy Solar gave a presentation to the church after worship. All Energy Solar is the fourth company that the Trustees have explored when it comes to solar energy, and they are recommending we move forward on the project. If you'd like to see Martin's presentation, you can find a video of it here: <https://www.lovefirstumc.org/solar>

On May 17, 2026, we will gather as a church community in the Sanctuary after worship and take a vote on whether to pursue solar energy with the proposal from All Energy Solar. The Trustees, Finance, and Ad Council all recommend the 2nd proposal (middle option) that was presented that day. Here is some information from the Trustees and a sub-committee that was formed by Finance and Trustees to look at the financing options:

In keeping with the importance our church places on environmental stewardship, the Trustees have been exploring ways to meet our electricity needs in an environmentally friendly and fiscally responsible way. We have partnered with All Energy Solar to develop a plan for a 90 kW rooftop solar installation that would meet those goals. In the short term, the federal government will reimburse us 40% of the cost of the project. Going forward, Xcel will credit us for the electricity we produce and pay us additionally for electricity produced beyond our needs. An email will be coming to you with links to both the written proposal and the All Energy Solar presentation. We welcome your input and questions, either directly or sent to trustees@fumcscr.org.

Your voice matters. Please come on May 17th.

-Dan Fark, Trustee

Solar is Good! from a sub-committee of the Finance Team

As a church community we have been carefully considering the possibility of installing a solar electric generating system for our church. The primary benefit is that we would be able to generate our own electricity in an environmentally responsible manner. We also have discovered that a solar electric system would be a good long-term financial investment for our church. Over time the system would provide considerable cost savings on our electric bill. To realize the environmental and cost savings an initial investment will be required. As with all investments, there will be an upfront cost associated with installing solar panels but, over time that investment will be repaid through a combination of lower electricity bills and energy sold back to Xcel.

Here is a summary of the investment plan that we recommend. There are three primary components to the financial plan; an initial investment, a government rebate, and electric utility savings and buyback. To install the solar system on the roof of the church will require a payment of approximately \$250,000 paid in increments during installation. To pay for this, we have a generous offer from a

member who will loan this amount. Within the first 12 months of operation, we will receive a Federal Tax payment of approximately \$100,000 which will be used to reduce the amount borrowed from \$250,000 to \$150,000. As the system begins to operate it will offset approximately \$12,000 in utility expenses per year. Also, we expect to generate more electricity than we use. This additional electricity will be sold to Excel Energy which will also help us repay our initial loan. As electricity rates rise, we anticipate that our savings will also grow over time. The savings generated, along with the sale of excess energy to Xcel, will be used to pay back the loan.

A solar electricity generating system is a new and exciting step forward for our community. Some of you have indicated that you would like to support this project financially. We recommend it as an excellent long-term investment in the financial health of the church. As such, there will be an opportunity for those who would like to contribute financially to this effort to do so.

Pastor Leah invited us to study the financial feasibility of a solar project for our church and the best method to finance it. The four of us are confident that a solar electric project is a good long-term investment for our church. It also is an investment that has a significant and important environmental impact. We recommend that this project be approved.

\$ What United Women in Faith Funds \$

United Woman in Faith is a global organization whose mission is to support women, children and youth at home and around the world. We are trusted with pledges and donations from individual members as well as from mission partners and anonymous donors who are dedicated to mission.

Our national office in New York is committed to careful stewardship of this generous support. UW Faith gives to partner churches plus ecumenical and grassroots projects through a granting process overseen by a member-chosen, 25-member Board of Directors composed of United Women in Faith members. Here is what our money funds:

- ❖ **National Mission Institutions (NMIs)** - We support nearly 90 NMIs across the United States serving the needs of marginalized and vulnerable communities. Emma Norton Services is a NMI right here in Minnesota!
- ❖ **Regional Missionaries** - Focusing on issues of health, gender equality, and elimination of violence among women, and support for the uprooted and marginalized.
- ❖ **Grants and Scholarships** - In 2024 we awarded grants and scholarships totaling \$4,084,488!
- ❖ **Service and Advocacy** - This includes work on peace and justice, education, the rights of children, human rights, and farm workers' Also, our work in partnership with coalitions on many justice issues extends its reach. We host leadership training on our social justice priorities. Also, we have a program for consecrating deaconesses and home missionaries to a lifetime of service!
