First United Methodist Church - Sartell, MN 56377

October is Pastor Appreciation Month!

Join us this month as we celebrate and honor Pastor Leah and Pastor Susie for their dedicated leadership, spiritual guidance, and faithful service to our congregation. We are so thankful for the ways they share their faith, give us guidance and bring us joy!

We invite you to shower both of our pastors and their families with love and prayer to thank them for all they do for our church community!

Oasis Small Group - Join the Community!

The women of Oasis meet every Wednesday from 9:30-11:00 am to enjoy our current book selection and the good company of faithful friends.

We meet the first and third Wednesdays on Zoom and the second and fourth Wednesdays "in person" in the church library. We've been known to have pot-lucks, and recently we had high tea, complete with hats.

This is a great time to join us because we recently started John Phillip Newell's book: *Sacred Earth, Sacred Soul: Celtic Wisdom for Reawakening to What Our Souls Know and Healing the World*.

If you are interested in joining us, please do! We'd love to expand our circle!

Sometimes people outside of our community ask me how our church is doing, and the question always catches me off guard, and then I remember how grateful I am that it does. I don't know if you know this, but not all churches are thriving. In fact, it has become normal for churches to not be thriving – to either be caught in the downsizing of rural communities, or feel a complete cultural shift from their neighbors that they don't know how to bridge, or have focused inwards so long because of infighting or vanity, that they are looking at closing. Some of this is part of the normal life cycle of any organism or organization. Constant growth forever, while an ideal of capitalism, isn't really based on health at all.

So how, you may ask, after 160 years, is our church still thriving? For sure it is because of the Holy Spirit – God gets all the credit! And, it is because people along the way have chosen to listen to the Holy Spirit. I don't believe that churches that are declining and closing have been abandoned by God's Spirit at all. I do know that I have seen how unhealthy communities can start straying from listening to God's Spirit, especially when it makes them uncomfortable, and once we put our comfort ahead of the Holy Spirit, we are definitely on the road to decline.

This past year and a half, as the church has gone through visioning and strategic planning, we have also been responding to the ICE crisis last winter that is still impacting our neighbors. We have attended to the spiritual needs of congregation members who are grieving, going through health crisis, struggling to make it day to day. We have fed a lot of people and we have celebrated a lot of people. We have worshiped our God in difficult times and in times when it felt truly joyful. And we have chosen not to pretend everything is okay, but rather to face the difficulties of this world together and to plan for joy and enjoying God's creation and one another anyway.

Our world does not seem to be on a path of light and love at the moment, as wars increase and we keep watching all of our resources flowing to the top 1% instead of being shared with the whole world. We don't come to church because everything is right with the world. We come to live in a thriving community where we can be real with one another; where we can share in life's ups and downs; where we can bear witness to how God is at work when that's not always obvious.

This past year has been a year of immense transition for me and my family, and through it all I have laughed a ton with you all; I have cried with you all; I have seen God's light and love with you all; I have had my heart filled with God's grace and mercy because of you all. Thank you. Thank you for listening to God's voice in your life and being part of this community where we are challenged daily to keep listening, keep acting, and keep showing up to be a thriving community.

FAMILY FAITH EXPERIENCES LAUNCH!

We launched our first Family Faith Experience on Sunday, Sept 13th! It was great feeling the energy in the room as kids, adults and parents engaged the story of Bartimaeus as well as music, art and an obstacle course together. We reflected on our big idea that **God sees each of us and we all belong to one another.**

Big thanks to our Children's Council for dreaming and organizing this awesome event. There are 2 more Family Faith Experiences this Fall! We hope to see you there!

Family Faith Experiences - All ages welcome
2nd Sundays: October 11th & November 8th
10:30 - 11:30am in Education Wing

Right after worship, your family is invited to the Ed Wing for a special Family Faith Experience. Together, we'll explore the monthly Bible story and theme and dive into hands-on art and activities designed for all ages. Treats and refreshments provided. This experience is designed to help your family form faith together in a way that's joyful, meaningful, and easy to carry into the week. See you there!

ALL SAINTS

On November 1st we will honor the saints. All Saints Sunday is an opportunity to give thanks for those who have gone before. "From the early days of Christianity, there is a sense that the Church consists of not only all living believers, but also all who have gone before us. For example, in Hebrews 12 the author encourages Christians to remember that a "great cloud of witnesses" surrounds us encouraging us, cheering us on."

(umc.org)

We are grounded in the stories and memories of individuals who shared their lives and faith with us in their time among us. We pause, November 1st during worship by giving thanks for the saints who have gone before us in our worship service at 9:30AM. We will read the names of those from our congregation who have died this past year and also share names and photos on a slide show of the many individuals whom we each were connected to. We encourage you to submit a photo of your loved one who died this past year to the Church office by Friday October 16th to ensure it is displayed. Digital photos are preferred and can be sent to lagre@fumcscr.org. If you do not have access to e mail, please send a photo to the church at 1107 PineCone Rd. S. Sartell, MN 56377 or drop off at the church office. Regardless of medium, all photos must be received on or prior to October 16th. Thanks for your partnership in making this such a special service celebrating the lives of all our saints.

Big Questions, No Answers

What do you believe? What do you wonder about?
And what happens when we're not sure?

Big Questions, No Answers is a monthly gathering of people who come together to explore the questions of faith and belief that don't have easy answers. In a friendly and welcoming environment, we make space for differing perspectives, honest questions, and thoughtful conversation, extending grace to one another as we wrestle with the things that matter most.

Second Monday of each month • 10:00 AM • Library

Make a Plan and Lend a Hand

The 2026 General Election is coming up on **November 3rd**, and the Justice & Mercy Team reminds everyone to make your voting plan and help others do the same. Here's a checklist to help you get started. Details about all of these topics can be found at mnvotes.gov and vote411.org. You can also call 1-877-600-VOTE with any questions.

Make a Plan

- Register to vote or check your registration
- Review your sample ballot and research your candidates
- Learn about options to vote early by mail, early in person, or on Election Day
- Confirm your voting location
- If needed, arrange for transportation, ballot delivery, childcare, and other logistics
- Learn how to track your ballot

Lend a Hand

- Help someone else with their plan
- Answer questions and talk through concerns
- Learn about accessibility support for voters with disabilities
- Give rides to other voters
- If needed, assist someone through the voting process
- Witness and deliver someone's mail in ballot

Be A Voter

In Minnesota we can vote starting 46 days before **Election Day November 3rd**. Absentee Voting started September 18th. Absentee voting can be done by mail or in person at the Benton or Sherburne County Government Centers and the Stearns County Service Center. Other locations are city halls in St Cloud and Elk River. To be counted all Absentee Ballots must be received by **November 3rd**. You can track your mailed ballot at www.sos.mn.gov. Mail early and track often or deliver it to one of the early voting locations.

In Person Early Voting starts October 16th through November 2nd in the locations listed above. In Stearns County additional sites open for voting on October 27th. Check the Secretary of State's website for times and locations. This option allows voters to place their completed ballot into the secure tabulation machine for counting on Election Day. Absentee Ballots are also counted on Election Day.

Have questions about voting? The Secretary of State's Office has an Elections Call Center to answer them. Text: 651-217-3862 Call: 1-877-600-VOTE (8683)

Create your voting plan now. Be a Voter!

Why I Give - Melinda Dumais

My reasons for giving have radically changed over the years. Looking back, my faith journey was filled with doubts, trials, and major turning points—the most important of which was turning my life back to God.

One shift transformed how I view stewardship. Today, I see giving not as an obligation to support a building or budget, but as a joy and a privilege. It is a tangible way to express my gratitude to God for the endless blessings He provides.

John Wesley reminds me of the 2nd rule for a Christlike life: “Do good: Be active in helping others, feed the hungry, care for the sick, and do all possible good of every sort to everyone.” Through my giving I am putting **LOVE FIRST**.

Our October Communion Offering

will be received by World Communion Sunday

Philippians 3:4b-14 reminds us that following Christ means reaching toward what lies ahead. On World Communion Sunday, October 4, we remember that we do not walk alone. United Methodists join

Christians around the world at the Communion table, celebrating that

we are one in Christ across backgrounds, languages, and cultures. Our Special Sunday offering extends that connection by supporting scholarships and leadership training for students from underrepresented communities. Together, our gifts help equip people to serve Christ and strengthen the Church. Join together with us as we celebrate our unity in Christ and consider how our giving can help us walk together in ministry.

Sanctuary LED Lighting Project Update

Our Lead Capital Campaign Project for the replacement of all the ceiling incandescent lighting fixtures in the Sanctuary with new energy efficient LED lighting is beginning to see the light at the end of the tunnel! On September 09th, we signed the contract for the project with our vendor, Audio Video Electronics of Brooklyn Park. We also made our initial down payment on the project at that time. The final engineering review is now under way, and once completed, the new LED fixtures and equipment will be ordered.

All current light fixtures in the Sanctuary ceiling will be replaced with new LED fixtures. We will be extending the current track lighting to have better overall light coverage in the Sanctuary. The new LED fixtures will give the AV Team much better lighting options. The new lighting will better illuminate the choir and music areas and will give better overall directional lighting for the Altar area. The system will also improve our Sunday Service streaming, which will have images that appear much brighter, sharper, and livelier with the better lighting for the cameras.

One of the biggest impacts the new lights will have is that our electrical consumption will be greatly reduced. Currently the lighting system in the Sanctuary has an operational electrical usage rating at about 18,000 watts for full system operation. With the installation of our new LED lighting, our full system rating will be lowered to 5497 watts. Due to the newer technology and lighting layout, we will usually not have the full system operating all at once. So, we will see a significant drop in our energy consumption.

The final engineering review is expected to be completed soon, and the equipment will be ordered. It is anticipated that we will be looking at installation in Mid to Late October.

LED Wall project, along with our previous replacement of all the other building lights with new LED fixtures, and our upcoming Solar installation, continue our efforts to conserve resources and to protect Creation.

We are looking forward to seeing old and new customers as we begin another season of sharing the cards we love to create. Cards are the same price: Six \$2.00 cards for \$10.00. Some \$3.00 cards. All occasions.

Sanctuary LED Wall Project Update

Our Capital Project for the programmable LED Wall in the Sanctuary is getting closer to an installation date. Our current projector is at its end-of-life. We have been working with vendor, Audio Visual Electronics (AVE) of Brooklyn Park, for several years to create a display solution that will serve our congregation's needs. What we have developed with AVE is a custom LED Wall display called a 4x4 Thor Canvas Series 1.8mm Novastar 16 cabinet system.

Back in July, AVE notified Trustees that we could take advantage of a special 15% discount available for purchasing in warehouse stock equipment prior to new tariffs being levied. FUMC saved about \$9,487 on the purchase.

We have been notified by AVE that our system is ready to be installed. Trustees have signed a contract with Faber Electric for the work to pull electrical lines, install new circuits, and place outlets as the power source for the new LED wall display. The new LED Wall display will be installed completely within the cutout space currently filled with the white screen. There will be no major construction necessary for the installation.

The look in our Sanctuary will be very different with the new LED display. The Thor Canvas system has 4 rows of 4 LED display cabinets with a 16:9 Aspect Ratio and 2048 x 1152 screen resolution. The displays can be controlled individually or grouped. The display screen size of 12'7" x 7'1" will be equal to the size of the actual images you now see projected onto the white screen. However, the dull, difficult to read images washed out by the sunlight will be gone, replaced with a spectacularly improved new display. Color, clarity, sharpness and definition will all be higher quality.

As the dates for installation approach, we will keep everyone informed of the transformation.

Discover First: Two Fall Sessions

***Part 1: September 27 & Part 2: October 4 OR
Part 1: November 8 & Part 2: November 22nd***

Membership can mean something different in each church. At First United Methodist Church of the St. Cloud Region (FUMC), we believe that there comes a time when a person's faith journey is strengthened by taking a public vow of commitment to a community where you want to grow in your faith. This does not mean that you have to believe a specific set of beliefs or that you have it all figured out. What it does mean is that you are willing to share your prayers, presence, gifts, service, and witness with the community and on behalf of the community in the world. In return, we share those same things with you! We believe that we are stronger together than we are alone.

Getting to Know the Community:

No one makes a covenant with a community they don't even know! By coming to worship, joining a small group, and figuring out places you can serve, you will get to know the community and decide whether this is the best place for you to flourish in your faith. When you join First UMC, because we are a "Connectional Church" with the wider United Methodist Church, you are also joining the international United Methodist Church.

Once you have completed **Discover First** and talked with Pastor Leah, you are welcome to join First UMC. Becoming a member means reaffirming the vows made at your baptism and making a covenant with the church community. This is a public affirmation of faith within the worship service itself and will be coordinated with others who want to join.

Fall Bake Sale October 13

Our Fall Bake Sale will be held at the same time as the Men's Pancake Supper on Tuesday, October 13 from 4:30-7:00pm. We are asking everyone to help with this important fundraiser by donating baked goods, breads, candies, jams, jellies and kitchen crafts for the sale. Be sure to plate and mark your items ahead of time. Please bring your donations to the church during the day on October 13th. Volunteers are needed to assist with the sale at the following times: Set-up 3-4:30, Sales 4:30-7:00 and Clean-up 7-8:00. Contact Linda Kotschevar if you can help (uwf@fumcscr.org). If you wish to make a

cash donation to the sale rather than bake it can be dropped off at the sale or mailed to our Treasurer, Jackie Ankenman, at 2608 14th St. S., St. Cloud, MN 56301. Make checks payable to First UWF.

Special thanks to everyone who helped with the Headwaters/Aurora Sky Area Fall Gathering on September 26. We welcomed more than 50 United Women in Faith members from across the northern half of the state. We appreciate everyone who pitched in to make the event a success!

Don't forget to bring your donations for Community Angels to the church by Sunday, October 11. Items needed include new preemie and newborn clothing items (sleepers, onesies, pants, outfits and booties). Thank you for your help!

Discussion

Opportunities

Join us in October for “Delicious Debate and Discussion” with Kathy and Mark Jaede following worship.

We will be talking about the book **“Separation of Church and Hate,”** by John Fugelsang. A New York Times bestseller, It is described as “A Sane Persons guide to taking back the Bible from Fundamentalists, Fascists, and Flock-Fleecing Frauds.” It is humorous and a very fun read, exploring parts of the Bible plus many contemporary issues such as white supremacy, feminism, abortion, LGBTQ+, poverty, immigration, gun control and more. You can purchase the book through Amazon and other websites either for a digital or hard copy, and probably the library. We plan to read excerpts in class so don’t worry if you haven’t read everything.
