

Collecting and Paying Sponsorship

Thank You for Supporting Go Orange for PWS!

Your involvement helps raise vital awareness and funds to support families and advance research into Prader-Willi syndrome.

To make things as simple as possible, please collect donations using your school's usual payment methods (e.g. cash, ParentPay, or any other internal system). Once you've collected the total amount, please transfer the donation to us via our Givestar Schools Page:

<https://givestar.io/gs/schools>

Or simply scan the QR code below.

On the Givestar page, just select **Give Now**, choose **Custom** and enter the total amount collected.

Thank you again for taking part in Go Orange for PWS and for helping us support the PWS community and the research that brings hope for the future.
