

## CLIENT PORTAL GUIDE

**In this guide, you'll find step-by-step instructions for everything you can do in the MyCase Client Portal.**

### Logging In

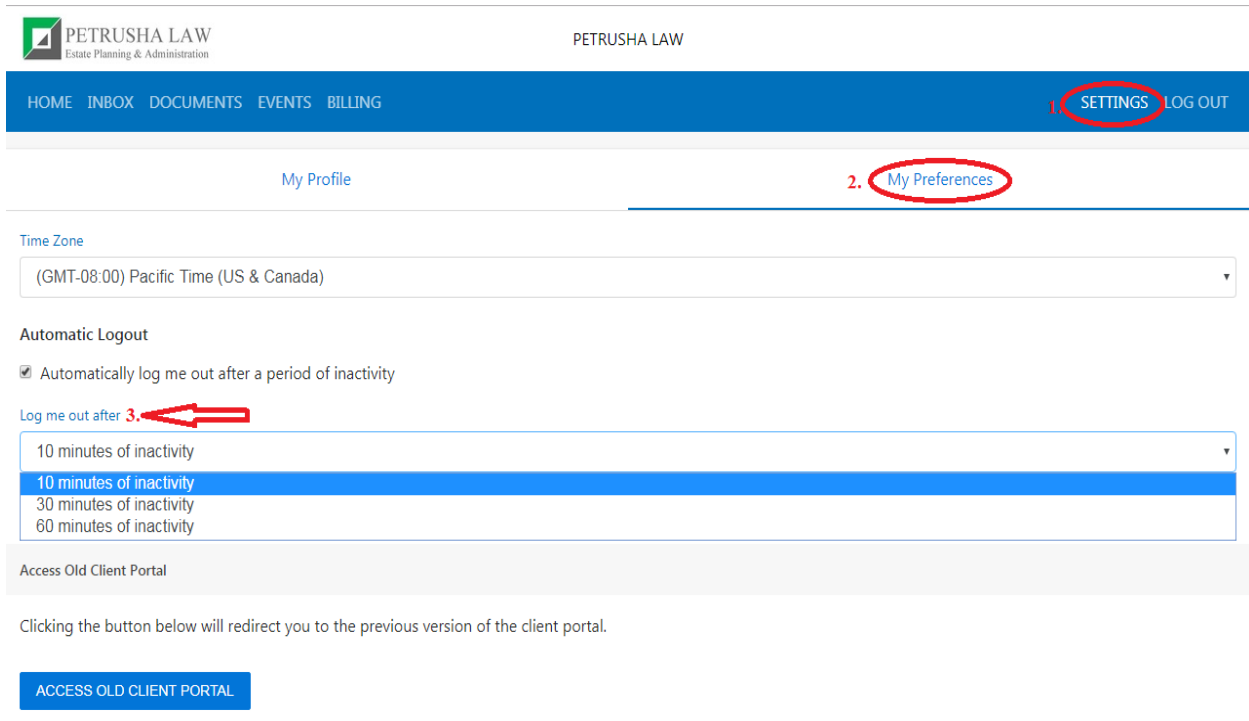

After you receive your new account link from MyCase and create your personal password, you can access the portal from PETRUSHA LAW's website at [www.petrushalaw.com](http://www.petrushalaw.com). If you ever forget your password, just go to the Client Login on our website, click **Forgot Password** and follow the prompts.

### Mobile App

If you will be logging in from a smart phone or tablet, MyCase has a mobile app for your iPad, iPhone, or Android device. Downloading the MyCase app is recommended for ease of use.

### Set Your Log Out Preferences

Automatically logging out inactive viewers is a security feature of MyCase. Set your log out preferences for the amount of time most convenient for you, as shown below:

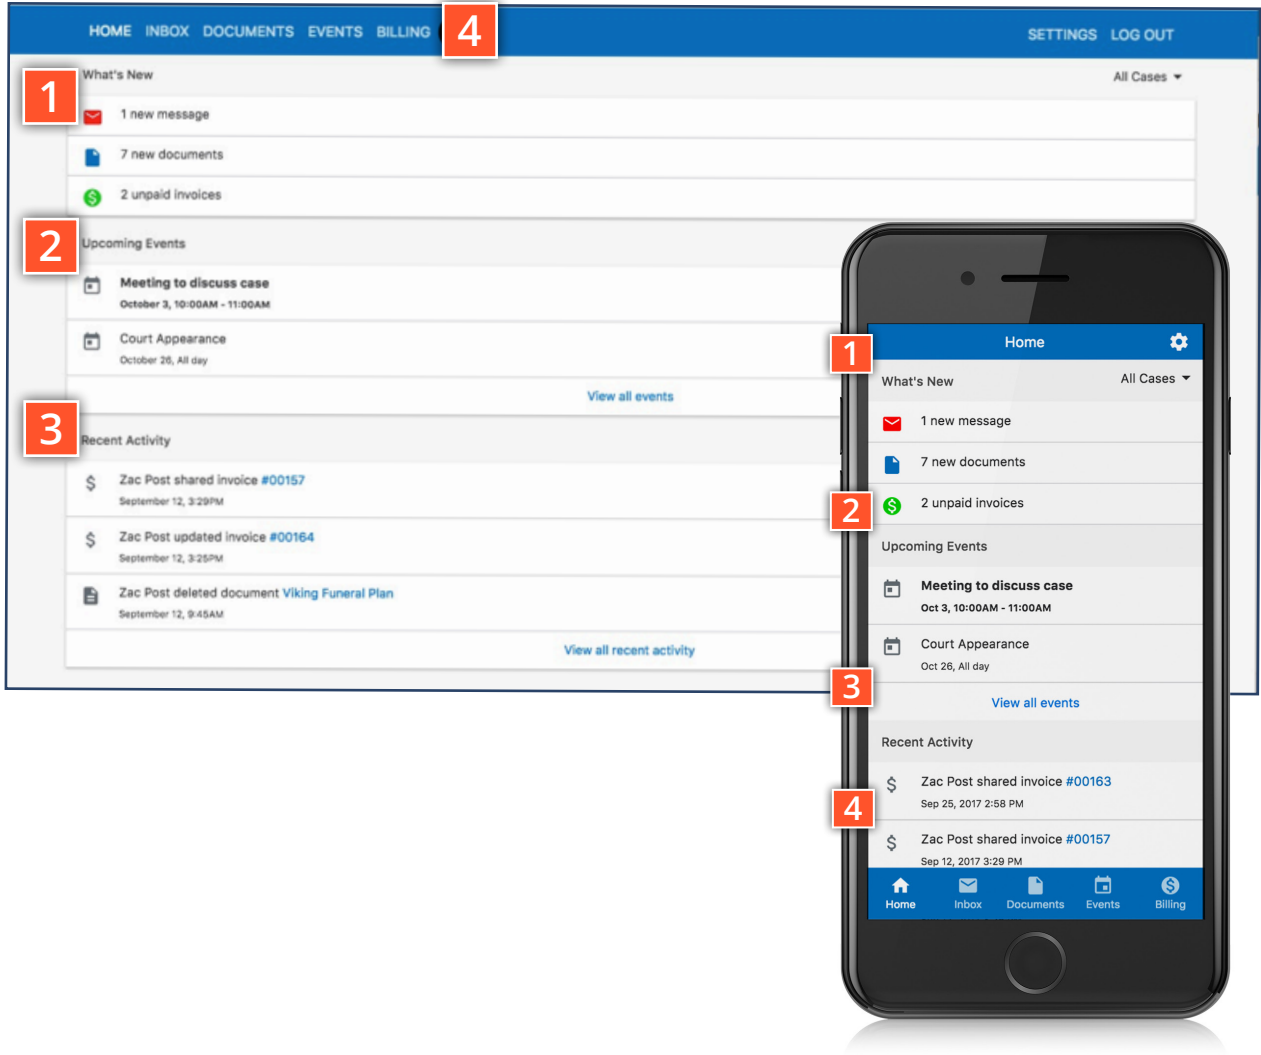

The screenshot shows the MyCase Client Portal interface. At the top left is the PETRUSHA LAW logo. The top navigation bar includes links for HOME, INBOX, DOCUMENTS, EVENTS, BILLING, and LOG OUT. A red circle highlights the SETTINGS link. Below the navigation bar, there are two tabs: My Profile and My Preferences, with the latter highlighted by a red circle and labeled '2.'. Under the My Preferences tab, the 'Automatic Logout' section is visible. It includes a checked checkbox for 'Automatically log me out after a period of inactivity'. Below this, the text 'Log me out after 3.' is followed by a red arrow pointing to a dropdown menu. The dropdown menu is open, showing options for '10 minutes of inactivity', '10 minutes of inactivity', '30 minutes of inactivity', and '60 minutes of inactivity'. The first '10 minutes of inactivity' option is highlighted in blue. At the bottom of the page, there is a section titled 'Access Old Client Portal' with a blue button labeled 'ACCESS OLD CLIENT PORTAL'.
