Track, manage and deliver your time with TiM.

TiM
TIME IS MONEY

User Benefits

Return on Investment (ROI)

Increase your billing by seven to ten percent. Every penny drops directly to your bottom line, guaranteed.

Accuracy
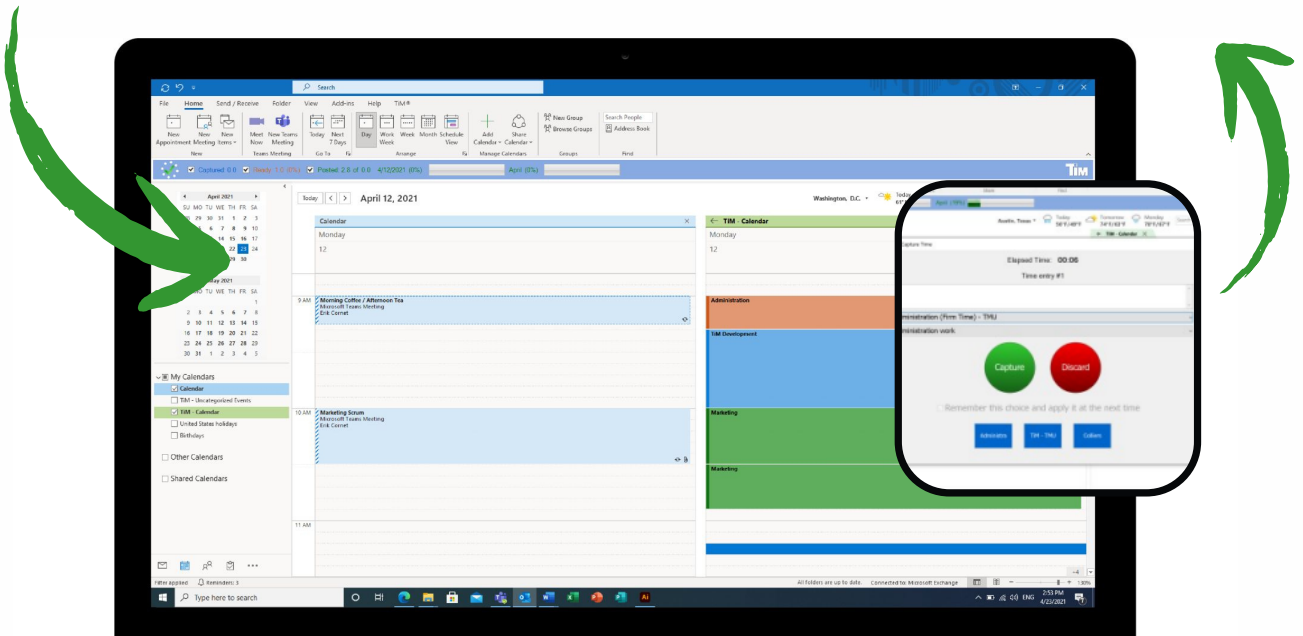

No end of week trying to remember "what happened." Full audit trail reporting answers any customer billing inquiries.

Productivity

On-the-fly time capture significantly speeds data entry and job satisfaction.

Integrations

TiM has full integration with all Microsoft Dynamics ERP solutions.

Outlook

No timesheets to enter. Work intuitively in Microsoft Outlook and other Office tools.

Schedule a call TODAY to discuss working faster, smarter, and making more money.
