I began working at Brentnalls SA in January 2017 as an undergraduate accountant. During my time at Brentnalls SA, I have been constantly supported and challenged by each manager and mentor; they played a significant role in shaping my professional development and progression with the firm; recently, I was appointed an associate.

Wade Crane, Associate

I joined Brentnalls SA as a junior accountant in July 2017 while I was studying a Bachelor of Commerce (Accounting) at the University of South Australia.
Being part of the Brentnalls SA team has helped me develop my skills as an accountant and also enabled me to develop relationships with both my colleagues and clients.
