FALL 2025

With the children going back to school, it will be time to winterize our pools. I know that you will want to extend your season as long as possible, but we will soon need to protect against falling leaves and freezing temperatures.

In order to serve you better, I would like to have some idea when you will want your pool closed. Please return this agreement and I will schedule your pool closing as near to your date as possible. I will schedule on a "first come, first served basis".

If you need a pool cover, please call at once so we will have it in stock when you close your pool.

Sincerely,
Dan Dietrich

SELECT SERVICES FOR FALL 2025 WINTERIZATION

Please check any of the following that apply to you:

☐ **Fall Winterization (\$369.00)**

Winterization will consist of lowering the water level, draining the filter, flowing out all pool lines with compressed air and plugging these lines. We will store all pool accessories such as diving boards, ladders, and rails on the owner's property. If the water level must be lowered during the winter an additional charge will be made. There will be an additional charge for any parts used to complete the winterization.

☐ **Fall Winterization and Cover Installation (\$499.00)**

☐ **Winterization Chemicals (\$74.95)**

☐ **PHOS Free, Recommended for Mesh Covered Pools (\$38.95)**

☐ **D.E. or Cartridge Filter Cleaning (\$45.00)**

☐ **Automatic Cover Pump (\$349.00)**

Please Note: We will be replacing the skimmer sand bottles every two years to prevent skimmer damage due to freezing

Winterization to be completed the week of _____
Work will be scheduled on a first come, first served basis.
