Introduction:

Hebrews 11 reminds us that it is impossible to please God without faith. In a world filled with uncertainty lying around every corner, that can be difficult. So, how can we keep the faith when we get weary? In this series, we're encouraged that our faith is not about perfection, but practice. God will not remember your sin, but he will never forget your faith.

Scripture:

It was by faith that Noah built a large boat to save his family from the flood. He obeyed God, who warned him about things that had never happened before. By his faith Noah condemned the rest of the world, and he received the righteousness that comes by faith.
